The next Council meeting has been set for September 1st. It was moved by Faulkner and Trumble that the Clerk and one member of the Finance Committee be authorized to pay all necessary accounts which have to be paid during this period of time.

On motion by Faulkner and Trumble the following accounts

THE MUG-WUMP

There was a bumper attendance last week at Senior Citizens. It was the occasion of celebrating three birthdays. Mrs. Herb David, her daughter, Mrs. Doug Smith, of Ottawa and her sister Lenora Williams.

Mrs. David's granddaughter, Mrs. Buchanan of Peterboro, led us in a spirited sing song of old time numbers as well as assisted Mrs. Ira David and her daughter Debbie in serving the lovely food including two birthday cakes. Mrs. David's son in law Doug Smith did a good job supervising the whole deal. Doug is well known in this area as a good lawn bowler on an Ottawa rink.

We just heard the origin of "A Straddle the fence"

It originated from a bird called a Mug-Wump and it sits with its mug on one side of the fence and its wump on the other.

Don't be a straddle the fence. Be like our President. He says - "Let's be reasonable - - - Do it my way."

Rabies In Bovine Animals

Considerable amount of cows and calves are reported to have died from Rabies. In many cases farmers attempt to treat the sick animals by inserting tablets into their throats.

This procedure is extremely dangerous for if the animal suffers from Rabies, any scratches on the hand or arm may serve as a port of entry of the infection. Possibility of deadly disease or unpleasant, sometimes dangerous and not always 100 percent efficient treatment, should be borne in mind. It is strongly advised that services of qualified Veterinarians be sought and when any medicine is to be given to the animals, long thick and strong protected glove be used.

The following information is provided by Dr. C. R. Lenk, Medical Officer of Health, Hastings and Prince Edward Counties Health Unit.

Annual Rotary Club Summer Street Fair Proved Successful

The Stirling Rotary Club Annual Street Fair held Monday night, July 27th on Mill Street proved very successful.

President Rudy Klompf and fellow Rotarians are delighted with the generous patronage accorded them.

The street was made ready in the afternoon. The proceeds will be used for the Club's Crippled Children's work and other benevolent activities. A bingo game did a thriving business, while a shooting gallery, fish pond, coin throw, wheel of fortune, ball throw, ring toss, and refreshment booths were well patronized.

Several Rotary Ann's assisted the Rotarians in the various booths. Music for dancing was provided by the "Western Four" from Belleville.

Prize Winner

In the draw for the \$800 lb. live beef, Doug Robson, of town, held the winning ticket.

The Rotarians would like to express their thanks to the non-Rotarians for their help and assistance in the various booths at the Fair.

Glen Ross Lead In Softball League

While everyone else has been on holidays, Glen Ross has been in the thick of a tight league race for first place. Glen Ross leads with 29 points, followed by Johnstown with 26 points, Holloway next (with 22 points, with Crookston and Centenary fighting it out for the final playoff berth.

Last Thursday night in a key game in Johnstown, Glen Ross triumphed 9-6. They were trailing 2-0 going into the top half of the sixth inning when they unleashed a barrage for six runs. Lyle Faulkner, not known for his home run prowess, led off for a two run blast. Peter Utman delivered a two-run triple, and Les Phear found his range with a home run. Gord Spencer and Greg Dafeo were the winning battery, while McCaulay and Walt took the defeat.

Glen Ross now are in the process of winning their second consecutive league pennant, but is hopeful that they can have everyone attend the playoff in order to win the league.

The next three games left in the schedule see them playing Centenary August 4th in Centenary, in Plainfield August 6th and postponed game with Foxboro.

Stirling Fall Fair Prize Lists Offer Excellent Prizes In Various Classes

The prize lists for Stirling Fall Fair, to be held on September 4th and 5th have been distributed.

The Directors have endeavoured to make the prize lists attractive and have been well supported by outside firms and local citizens who have offered special prizes in the various classes.

Horse Classes

Prize money has been made attractive in the horse section in a special effort to make this a cation attractive to exhibitors. A programme of the various events for the horse classes has been added to the prize list for the convenience of exhibitors.

There will also be the customary events for heavy horses and ponies. There are several special prizes offered which should result in one of the best shows of horses at Stirling Fair in years.

Open Team Drawing Contest

A new feature of the afternoon's programme this year will be an Open Contest for teams. This has proven a popular event at many district fairs recently and should create much interest for fair patrons. Prize money of \$100.00 has been offered for this class.

Western Games

Plans are well under way for holding a Western games programme at the Fair again this year. This has been a popular feature of the Fair for several years.

Cattle

In the cattle classes, prizes are offered for Ayrshire, Jersey, Hereford, Dual Purpose and beef breeds. There are also special prizes listed for all classes.

Black & White Day

The Hastings County Holstein-Friesian Association will again be holding their annual Black and White Day Cattle Show at Stirling Fair. Last year this was a very popular event at Stirling Fair and the Directors are very pleased that they have again chosen Stirling for their 1970 showing.

The customary classes are provided for sheep, swine and poultry.

A feature this year is the Eaton's of Canada Livestock Special, awarded to the exhibitor winning the highest number of points in the Livestock Classes. An exhibitor winning this trophy at another 1970 Fair will not be eligible at the local Fair.

Cheese Section

The cheese section has been completely revised with higher prize money being offered to district cheesemakers.

Ladies' Work

The Ladies Work Section of the prize list has been revised and includes children's wear, ladies' wear, men's wear and homecraft divisions. There is also a junior section for exhibitors from 9 to 12 years and teenagers. Attractive prizes are offered, as well as several good specials donated by interested parties.

There are also classes for Garden and Roots, Grain and Seeds, and Domestic Science.

Junior Farmer Section

There is a Junior Farmer Section in which the Achievement Day for West Hastings Area Multi-Project Club (Stirling Section) will be held. This Club is sponsored and financed by the Canada Department of Agriculture, Ontario Department of Agriculture and Food and the Stirling Agricultural Society.

Horticultural Society

The Stirling Horticultural Society will be holding their fall show at the Fair. The prize list for this section has been completely changed and offers a wide range of flower exhibits.

Be An Exhibitor

The farmers and their wives, as well as local citizens, are urged to get a prize list and be an exhibitor in one of the many classes offered. The Agricultural Society sponsors the Fair entirely in the interests of the farmers of the surrounding district and should be encouraged.

Copies of the prize list may be obtained from R. E. Shortt, Secretary, or at the News-Argus office.

Old Home Sunday At St. Andrew's

Sunday next, August 9th, will be "Old Home Sunday" and Oak Lake Sunday in St. Andrew's Presbyterian Church at 11 o'clock.

People baptised and married in the church in years past will take part. Mr. Arthur Duncan, Oak Lake, will be soloist.

Rev. Donald MacInnes, of Ridgetown will preach.

West Huntingdon will blend their morning service with this service.

Campers, holidayers, visitors and friends of St. Andrew's are invited to attend the 11.00 o'clock worship service.

LEGION NOTES

Well Comrades, July has passed us by and we have a cool beginning for August. Comrade President Weiger de Jong has been busy at all times keeping us informed and we did enjoy the hamburg lunch tremendously. Looking forward to the corn feed on August 22nd — (note change of date).

We want you, one and all to pause and take a look at our red hot Pee Wee Team and the honor they have brought us with winning the Legion District Tournament in Hastings and two Invitational Tournaments — one in Hastings and one in Napanee.

How about a little support for our team? They are now running into O.A.S.A. against Campbellford next Wednesday night at our own Town Park. See you there.

Chinchilla Ranching Prosperous Business

(by Steve Patrick)

There were no chinchillas in North America until 1920, when some enterprising gentleman got permission to export 11 of the animals from their native home in the high western Andes of the South American countries of Peru, Chile and Bolivia.

These animals are similar to a guinea pig and would make very good pets, except for one outstanding quality. Their fur, which is extremely light in weight and very soft is so valuable that a single animal may be worth thousands of dollars.

Mr. Stan Olsansky of Stirling, well known for his taxidermy, is the sole Ontario representative of Colder Chinchilla Ranch Incorporated, Canada's largest chinchilla firm. Stan started in the chinchilla business about 3 years ago with 8 of the furry little creatures (6 females, 2 male). His ranch, which he keeps in the rear portion of his home (chinchillas are extremely clean) has now expanded to 32 breeders. Stan has also sold many.

Chinchillas are born with their fur, and they mature in six months. A typical breeding female may raise

two breeds of from one to four chinchillas per year. It costs in the neighborhood of \$2150 to begin a chinchilla ranch. This cost includes 8 animals, their cages, proper food, and especially training for the rancher.

Right now, Stan is working on the plans for the next meeting of the chinchilla ranchers in the area. This meeting, to be held at Roy Holmes' Bowling Lanes in Springbrook on Saturday the 4th of July, will consider questions of ranch managing, records, breeding, sorting, pelting, and priming. The aim of these meetings is self-sufficiency for the individual rancher, but as there are always a few new members at these sessions held every six weeks, this aim is quite difficult to achieve. Educational classes may be set up for new members.

This gives Mr. Olsansky quite a bit of paperwork between Colder Inc. and the ranchers, but Stan believes that an organization like Colder is needed to make chinchilla ranching a permanent enterprise.

The president of Colder Chinchilla Ranch Incorporated is Mr. Dorval Chartrand. Colder began in Mason, Quebec in 1955. It now has several modern offices in that province and two thousand chinchillas are kept in one of its large ranches. Colder's aim is to expand and improve the chinchilla industry and much re-

search is being done to improve the quality of the animals and the care given them. Extensive controlled experiments have produced rare breeds, like the new black velvet breed, of which their best chinchilla is prized at about \$5000. Some other colours of chinchillas are white, silver and beige.

Mr. Chartrand of Colder hopes to have a factory manufacturing articles from chinchilla pelts, open this coming winter. A full-length chinchilla coat can cost anywhere from \$5000 up to \$30,000.

Mr. Olsansky, who was recently visited by Mr. Chartrand for three days, says that with the help of taxidermy training, the pelts will not have to be sent to California for dressing, as is now done by many ranchers.

Recently, Mrs. Sine and Mrs. Rodgers of Stirling Public School took their students to see the chinchilla ranch of Mr. Olsansky. Maybe some of these children will someday be raising the cute little animals.

Elaine Footwear Union Meeting

The regular July meeting of the Boot and Shoe Workers Union was held on the 13th at the Masonic Hall. Local 754 President Roy Lake chaired the meeting with a full executive and the International Representative from the Boot and Shoe Workers Union Roy Cooke was present.

The following strike appeals were dealt with and it was voted that we send \$10.00 to each one: United Farm Workers and Lodge 1246. In addition to this \$10.00 was sent to the Canadian Labour Congress in support of the Postal workers fighting the governments 6% wage guidelines as the congress on behalf of all organized Labour is strongly defying the wage increases of only 6%.

It was decided that bill 96, an act to amend the employment standards act be filed.

The picketing, Mr. Cooke said, was a very successful campaign and that in the future the B. & S. W. U. may organize picketing in large cities such as Toronto.

The Chamber of Commerce was voted \$100.00, including our dues for the clean-up of the Rawdon Creek in Stirling, which was held on July 6th.

Roy Lake strongly recommended we support Stirling Chamber of Commerce in their efforts to promote Stirling and make it an even better place to work in, live and shop in, as appearance for a town is very essential for business and the people who live and work here, plus visitors.

Betty Hubble was elected to the Finance Committee, replacing Elvin Turfitt and Doreen Hudson was appointed as Shop Stewart in addition to Jean Woodcox in the sewing department; replacing Carol Cooney.

Each steward gave a lengthy report concerning the department that they serviced, dealing with verbal grievances and beefs settled. They were very highly praised for their efforts and the good representation that they gave to their people in their respective departments by both Mr. Roy Cooke and President Roy Lake.

It was announced that negotiations for a new contract with Elaine Footwear will commence on August 10th by Roy Lake.

The meeting was well attended and adjourned at 9:45 p.m.

TRENTON COMPLEX
HOMESPresentation Party
At River Valley

On Friday evening July 24, Mr. and Mrs. Dennis Heasman, nee Linda West, were honoured at River Valley W.I. Centre on the occasion of their recent marriage. River Valley friends, institute members and relatives were in attendance.

Harry Morrow was Master of ceremonies and gave some highlights of their recent holiday.

Mrs. J. L. Donohoe read a selection. Jack Bush was in charge of the sing song.

The orchestra members, Kenneth Morrow, Norman Rosebush and Mrs. Philip Conley contributed several musical numbers. Mrs. Percy MacMullen recited a humorous poem. Ken Morrow and his daughter, Mrs. Andrew Faulkner provided music.

Mrs. Jack Bush conducted a game with fourteen assistants.

Dennis and Linda were given seats of honour. Douglas Kane read an address on behalf of the group and Jack Donohoe made the presentation of a hostess chair.

Mrs. Reg. Coombes read another address on behalf of River Valley Community and the newlyweds were presented with a round table and four matching chairs.

The recipients voiced appreciative thanks to all.

Messrs Ed. Heasman and Russell West brought greetings.

The committee in charge served refreshments and a social hour was enjoyed.

WEEKLY REPORT

FROM

FOXBORO DISTRICT

(BY JACK WOOD)

EVAPORATION LOSSES FROM FARM FUEL STORAGE TANKS

In the late fifties and early sixties, Co-op engineers conducted tests on the evaporation losses from farm fuel storage tanks. The idea was to measure the losses of gasoline due to evaporation from tanks under a number of varied storage conditions. Also they hoped to determine the extent of deterioration of fuel quality, and find the most economical method to reduce gasoline losses from farm storage tanks.

Five 300 gallon farm storage tanks were set up on trestles as follows:

1. An unpainted tank with a fill and vent cap, which would duplicate the worst possible type of gasoline storage in tanks.

2. A painted aluminum tank equipped with a fill and vent cap.

3. A painted aluminum tank equipped with a fill and vent cap and a plywood bonnet painted aluminum. Bonnet cost \$35.00.

4. A painted aluminum tank equipped with a duplex pressure vacuum vent cap. Cap cost \$16.00.

5. A painted aluminum tank equipped with a commercially available pressure vacuum relief valve. Cap cost \$5.00.

The tests were completed after five months. The losses in dollars, based on 1,000 gallons of gasoline, \$0.25 per gallon, were:

1. Unpainted Tank, \$22.50 or 90 gallons of gasoline.

2. Painted Tank, \$18.00 or 72 gallons of gasoline.

3. Painted Tank with Roof, \$14.00 or 56 gallons of gasoline.

4. Painted Tanks equipped with valve, \$6.00 or 24 gallons of gasoline.

Tanks 1 and 2 showed some drop in octane number of the gasoline and the A.P.I. Gravity was also affected proportionately to the evaporation rate. The higher the evaporation loss the greater the change in A.P.I. Gravity.

Stop gasoline evaporation now — it costs you money!

TRUCKERS!

How much more weight can your vehicles carry?

New weight laws have been introduced. Your vehicles may, under new legislation, qualify for increased gross weights.

Do you own one or more commercial vehicles weighing over 6,000 pounds?

Have you received your QUESTIONNAIRE from the Ontario Department of Transport?

The Department will calculate the maximum axle and gross weight your vehicles may carry if you will complete and return the questionnaire as soon as possible.

If you have not received your questionnaire write to:
Ontario Department of Transport, Vehicle Branch
Box 4012, Postal Station A, Toronto 1, Ontario
or Pick up a questionnaire at any Department
Examination Centre or licence issuing office.

Jeffrey Re-union
The first Jeffrey family re-union was held in Minto Community hall on Sunday with approximately seventy-five members of the different Jeffrey families.

A bountiful dinner was served at noon following which Mrs. Frank Jeffrey of Belleville called the gathering to order and welcomed all.

Prizes were given to oldest couples Mr. and Mrs. Walter Jeffrey of Belleville, second oldest couple were Mr. and Mrs. J. B. Hagerman, a bouquet of gladioli were presented to these honoured couples. Largest family present were Mr. and Mrs. Lorne Hagerman. Farthest distance - Mrs. Michael Mouchler and daughter of London. Youngest member, Brian Ellis, Birthday, August 2nd, Mrs. Joan Courtney.

Mr. Lorne Hagerman spoke briefly and it was decided to hold another re-union next year in the same place the second Sunday in September. Mr. and Mrs. Frank Jeffrey, of 29-1

THANK YOU

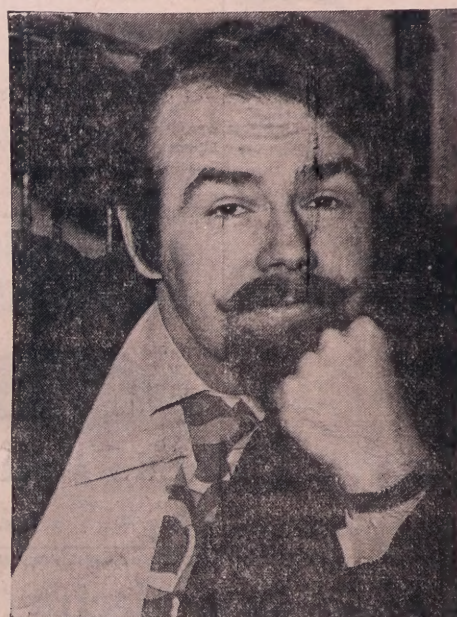

I WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK MY FRIENDS FOR THEIR PATRONAGE OVER THE YEARS THAT I HAVE BEEN IN THE INSURANCE BUSINESS.

A SPECIAL THANKS TO THE PAST AND PRESENT STAFF.

MINERALS — NOT ONLY IN THE WINTER TIME

(W. D. Tipper)

One of the real concerns in the livestock cattle industry is the production of good heifers for replacement purposes. There is no real point of putting a cow herd on test, such as D.H.I.A. if we don't translate the results of this testing into improved replacement heifers based on our own farm production. Good heifers to develop into good cows don't just happen. There are many points to the business as any livestock farmer knows. Let's zero in on one part of it. Perhaps in a sense this applies more to dairy cows than it does to beef. But often the program simply consists of getting the calves to a size in the stable where they can exist on forages. This means they are relatively young, their digestive system tract isn't fully developed to get all the feed requirement out of roughage, and then the busy season comes and we turn them out on the pasture. In many cases the pasture is of secondary quality and is used for young cattle because at this stage they are not in production for the farm. As one livestock man put it, "This is the forgotten age of cattle."

The question we ask ourselves is whether the calf pasture is good enough to put up the kind of feed that these young cattle, particularly in the first three months out of the stable, can make use of and develop as they should. Talking to Dr. Julian of the Veterinary Laboratory, Brighton, and to other veterinarians in private practice around the county you soon find out that several problems are quite apparent when we try to let a second rate pasture develop immature heifers as the sole source of feed. The problems show up in the form of parasites, such as lung worm and intestinal worms, and definite signs of mineral deficiencies particularly phosphates.

The answer lies in two parts. First, of all, if we have to put these

calves out on pasture at a relatively young age, then make sure it is some of our best pasture. At the same time and according to how we rate the pasture we can well consider a limited supplementary grain ration to help these calves get properly started. In summer sunlight summer conditions, and with reasonable growth of grasses and clover the type of grain ration can be very simple and accordingly very low cost. The counter-balance on cost is the fact that you can get a good heifer in production at 24 months instead of 30 months of age and still have a good cow. There is no way this 6 months difference can ever be recovered in the production life of a cow whether it be beef or dairy.

Now let's get back to the opening title "Minerals — not only in the winter time." I have already pointed out the fact that mineral deficiencies do show up related to some parasites, related in the sense that a poor conditioned animal is more susceptible to parasites. It has been a long established rule of thumb in feeding practices to use minerals in the winter time. This is the most inefficient time of the year. Let's look at it this way. First of all the main deficiency in this area is phosphate, the fundamental balance in mineral feeding is a mixture of calcium and phosphate on the 1 to 1 ratio. If we don't have this, all the trace elements you can buy in a fancy expensive prepared mixture won't really do you any good. Again discussing this with Dr. Julian, to provide the needs of not only heifers on pasture but all cattle on pasture, we came to the conclusion that it will end up in the form of 50% cobalt iodide salt and 50% mineral, the mineral in the 1 to 1 ratio already mentioned. You can buy this type of mixture already prepared or you can mix it yourself.

These are the cheapest sources of supply. Then the other point I wish to make is that it is more important to think about mineral feeding in the summer time than it is in the winter. First of all we automatically feed it in the winter time and it is necessary, but the efficiency of use is lower, secondly if we think about livestock getting this mineral mix in the summer on pasture under sunlight condition, we will find that they will make much greater use of

it, not just in the balance of the ration that they are on, which is pasture basically, but in building up body reserves that will carry them over the winter with the usual winter program.

With the proper use of minerals on a year round basis and particularly in the summer time as I have described, I strongly suspect we could help eliminate many of our livestock health problems that occur in the winter time. At the very least the springer heifer or cow would be in a better condition for winter development and calving and coming into production. If you can't immediately do something about the type of pasture your calves are on, you at least can make sure they have adequate mineral supplies and while you are at it making sure all your cattle get them all summer long.

Insurance For Cars May Jump

Automobile insurance officials say premium rates could soar if the number of car accidents continued to increase in 1970.

A report in Canadian Insurance magazine says general insurance companies recorded an underwriting loss of \$56,700,000 in 1969. In 1968, they had a profit of \$43,000,000.

Industry spokesmen blame the difference on rising car repair costs, "fragile" car body construction, and an "unprecedented" rapid rise in the number of accidents in the streets.

Ron H. Stevens, president of the Canadian Underwriters' Association, said in an interview the accident rate this year is running about 10 per cent higher than expected and

motorists can expect rate increases of up to 20 per cent in 1971. If the accident trend continues in the last six months of the year."

Mrs. Myrtle Brady attended the Brady re-union at Stanley Royle's cottage, Glen Ross on Sunday.

Define Farm Vehicle Regulations

Since we are residing in a farming community, it is felt that everyone concerned should know the definition of the following:

"FARM TRACTOR" — means a self propelled vehicle designed and used primarily as a farm implement for drawing ploughs, mowing-machines and other implements of husbandry and not designed or used for carrying a load.

"TRAILER"

— means any vehicle that is at any time many vehicle that is at any time motor vehicle except an implement of husbandry, another motor vehicle or any device or apparatus not designed to transport persons or property, temporarily drawn, propelled or moved upon such highway, and except a side car attached to a motorcycle, and shall be considered a separate vehicle and not part of the motor vehicle by which it is drawn.

Dollars and Good Sense

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Aveco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

QUESTION — Dear Mr. Martin: We need to borrow around \$1000 in order to clear up some pressing obligations and get ourselves back on the track again. I've read and heard about how smart it is to "shop for credit" in order to get the best deal. But how do you go about shopping for credit and how do you know when you've got a good deal?

ANSWER — Mr. D. G.: There is a relatively simple answer to your question and there is a bit more complicated or complex answer as well. First of all, by shopping for credit, you go where you can get your loan at the lowest cost to you. It may be a bank, a consumer finance company or your local credit union. The bank, for instance, will charge the lowest rate of interest while the consumer finance company may charge the highest. It all depends on how much a credit risk you are.

If on the other hand, you were eligible at all three of these institutions, you would select the bank. Yet, the answer is not really that simple, Mr. G. Everyone is not eligible for a bank loan nor is everyone a member of a credit union. In this case the consumer finance company, a licensed, government-regulated institution, would be the best source

of borrowed funds.

Before you purchase a loan from whatever source, you should first consider something very important: Is borrowed money your real need or do you need financial or budget counseling to help you see where you may have gotten yourself in trouble in the past and how you can avoid those difficulties in the future?

If you have a history of minor credit difficulties and managing your money, you may want to consider seeking money management advice before borrowing anything else.

If you're a member of a credit union, you might want to contact them for advice about borrowing in your particular situation. Most consumer finance companies also offer budget and family financial counseling. They charge nothing for this service and there is no obligation on the part of the would-be-borrower.

I sincerely recommend that you seek some advice from the experts before you start "shopping for credit".

QUESTION — Dear Mr. Martin: Thanks very much for your recent help. Your suggestions and direction for living within a budget in our family was just what we needed to do for a number of years. I can tell you that it really hurt at first to keep from buying the things we wanted, rather than really needed. But we got into the budget habit and it really pulled us out of our financial dilemma. Now that we are out of the woods and things are going pretty well, my husband is beginning to disregard our budget and spend more on things that we shouldn't. I tell him that if we don't stick to our budget, we'll be right back where we were. Can you help us again?

ANSWER — I'm glad that I was able to help you, Mrs. H. Let's hope that I can help you again. Incidentally, your problem is not uncommon to a lot of families who have lived within a budget for a year or two and who start to feel sorry for themselves and how much they have deprived themselves of. They start to slide away from their budget and find themselves right back in trouble again.

While I've always maintained that once a family gets a good budget they should stick to it. I don't mean that it must be absolutely inflexible. Things change. Your needs vary. Perhaps your salary increases. Maybe you get a large debt paid off. Should you stick with the same budget? I don't think so. I believe that it's time you re-evaluated your budget make adjustments to compensate for the changes in your financial situation and your life. Maybe it's time too, that you can consider some of those purchases you have deprived yourself of over the past year or two. Perhaps you can afford that sofa now. Or that new car. Or whatever.

I'm not suggesting that you go on one big, wild spending spree. Rather, however, I think you might be able to adjust your budget so that you have more spendable income. In other words, living within a relatively tight budget for a certain period of time has enabled you to get back on your feet and to actually see a little light at the end of the dark.

But a reminder, please! Don't get too careless again with your spending habits. Don't completely disregard the budget. Remember what happened before and that you must still manage your income and outgo, no matter how financially sound you may be. Good luck and keep me posted on your progress.

Carew -- Faulkner Wedding

St. Paul's United Church, Stirling was the scene of the June 27 wedding of Susan Kay Faulkner, daughter of Mr. and Mrs. Blake Faulkner of Stirling and Lieut. John Grant Carew son of Sgt. and Mrs. Grant Carew also of Stirling. Rev. J. Bruce Small officiated at the ceremony; organist

was Mrs. Andrew Faulkner and soloist Mrs. Douglas Faulkner.

The bride, given in marriage by her father, wore a white flocked sheer gown over white peau de soie featuring a high neck, sheer sleeves and a long tiered veil fastened with lilies of the valley. She carried a cascade bouquet of white carnations with deep pink roses.

Matron of honor was Mrs. Helen McMaster, sister of the bride, wearing a deep pink floor-length crepe dress featuring long sleeves and green and pink rosebud trim. She carried a cascade bouquet of white and pink carnations.

Bridesmaids were Miss Margaret Carew, Miss Linda Faulkner and Miss Beth Frazer. Each wore a dress identical to that of the matron of honor and a pearl drop pendant, a gift from the bride.

Best man was Larry McMaster and ushers were Douglas Carew, Ronald McCrory and David Murray.

For the reception, held at the church parlor, the bride's mother greeted the guests wearing a green sculptured silk street-length dress with white accessories and a corsage of white carnations with pink rosebuds.

The bridegroom's mother wore a mauve figured silk dress with pink flowered hat, white accessories and a corsage of pink carnations and roses.

For the wedding trip to points east the bride chose a white lace pant suit, red accessories and a corsage of red roses.

Upon their return the couple will reside on Henry St., Trenton.

THE BIBLE TODAY

In a recent press release from the Vatican City, Churchmen admit that had it not been for availability of modern language, Protestant translations of the Bible, the Roman Catholic program of vernacular liturgy might never have gotten off the ground in many remote sections of the world.

"The Bible Societies and other Protestant organizations were far ahead of Catholic Bible translators when the Vatican directed that the liturgy be recited in the language common to a given area," said the Rev. Walter M. Abbott, S. J., head of the common Bible Office in the Vatican Secretariat.

"Actually, when the order for the vernacular liturgy came from the Holy See, we Catholics were only just beginning the work on some of the modern-language translations," he explained. "Therefore the bishops in those areas had not approved, modern language Bible translations from which to make their new liturgy."

To solve the problem, permission was granted by the Vatican for the bishops to approve certain Protestant translations of the Bible. This opened the way for Catholic churchmen to use Protestant Bible translations with which to construct their vernacular liturgy.

Today there are modern Protestant Bible translations available for the use of Catholics in 15 languages. Catholic and Protestant scholars currently are working together to produce modern-language Common Bibles in 110 languages. Eventually they hope to provide translations in another 600 languages spoken throughout the world.

The Power of Gentleness

When men seek fame, they may believe that birth, intellect, money, or success in politics or war will bring it. But centuries ago a singer and poet, who was also a warrior of renown and a great king, knew that it was in the gentleness of Godlike thinking that success lay. "Thy gentleness," David sang, "hath made me great" (II Samuel 22:36).

Can the greatness of gentleness be acquired? Christian Science shows that it can, for it is innate in the consciousness of the man of God's creating. In "Science and Health with Key to the Scriptures" Mary Baker Eddy, who discovered and founded Christian Science, writes (p. 476), "When speaking of God's children, not the children of men, Jesus said, 'The Kingdom of God is within you;' that is, Truth and Love reign in the real man, showing that man in God's image is unfallen and eternal."

The Apostle Paul before his conversion persecuted Christians with vigor, believing that he was serving God. But when he himself became a Christian and a devoted follower of the Master, Christ Jesus, he learned and understood the potency of gentleness. Writing to the Christians at Corinth, he said, "Though I speak with the tongues of men and of angels, and have not charity, I am become as sounding brass, or a tinkling symbol" (I Corinthians 13:1). No one need doubt his own ability to be gentle.

IMPORTANT NOTICE

IT IS WITH EXTREME REGRET THAT THE MANAGEMENT OF TAYLOR'S FROSTY LOCKERS, CAMPBELLFORD, IS FORCED TO ANNOUNCE THE DISCONTINUANCE OF BUSINESS EFFECTIVE SEPTEMBER 5th, 1970.

This move is unfortunately necessary as the result of medical advice.

After August 22nd, 1970, we will no longer be able to accept meat or other products for processing.

We will however, remain open to sell any products we may have on hand and to allow time for locker patrons to remove the contents of their lockers and to make other arrangements for storage. The deadline for removal of all contents must be no later than October 10th, 1970.

Special notice to all those who have paid locker rentals in advance. A satisfactory refund will be made. It is also requested that all accounts owing be paid by October 10th, 1970.

Bert Taylor and staff wish to apologize for the necessity of this action and to thank their many friends and supporters during their many years of business in Campbellford.

Enquiries are invited from parties interested in purchasing the building and equipment either together or separately.

Your most useful servant can cripple or kill you.

Tractors, combines, balers, corn pickers and other machines have made farmers much more efficient.

But the increasing use of machinery has been paralleled by a frightening increase in farm accidents.

- More Canadians are killed in farming than in any other single industry.
- The accident rate on farms is 20% above the national average.
- Accidental deaths involving farm machines have doubled over the last 10 years.
- 20% of all persons killed in farm accidents are under the age of 10.

But machines do not cause accidents. Farmers do.

- Less than 5% of farm accidents are caused by mechanical failure.
- More than 93% are caused by carelessness.

A thoughtless act, refusal to use safety features like tractor roll bars and power take-off shields, and allowing children to operate, ride on or play near machinery are among the principal causes of farm accidents.

July 25th to 31st is Farm Safety Week and your Workmen's Compensation Board urges you to farm safely this week and every week.

FIRE PRACTICE -- STIRLING VOLUNTEER FIRE DEPARTMENT

Date: Any Thursday
Time: Early Evening
Place: Stirling Fire Hall

One of the men of the Stirling Volunteer Fire Department is using the master radio set. "This is XJH 318 Stirling calling XJH 67 Belleville. Come in Belleville." There is a silence of perhaps a second, then a voice comes through loud and clear. "XJH 67 Belleville here. We read you XJH 318 Stirling. Go ahead Stirling."

"XJH Stirling ready for siren test, Belleville."

"Roger, Stirling. Stand by."

Again there is a silence, then a deep like a dial tone on the radio channel. Immediately after, the siren on the roof of the Stirling Fire Hall clicks on and pours out its high-pitched scream for about ten seconds.

Then the siren slows to a stop and the communication continues:

"XJH 318 Stirling to XJH 67 Belleville. Come in Belleville."

"XJH 67 Belleville to XJH 318 Stirling. Go ahead Stirling."

"Siren system in good working order, Belleville. Thank you Belleville. XJH 318 Stirling out."

"XJH 67 Belleville. Over and out."

The man on duty for the siren test then enters the date and time

of the test in the log book at the Stirling Fire Hall.

This is the procedure behind the siren drill heard every Thursday evening. It is a precise and well-organized routine for testing equipment. But much more complex is the procedure of the monthly meetings of the Stirling Volunteer Fire Department themselves.

Date: Third Thursday of the month.

Time: 7:30 p.m.
Place: Stirling Fire Hall

The News-Argus was invited to visit the Volunteer Fire Department at its monthly meeting of July 16, 1970 by Fire Chief Graham Mouck. This is the outline of activities carried on during that meeting.

The procedure for the siren test was carried through to begin the meeting. Chief Mouck then told the men that a mock fire was burning at the main fairground building.

The men reacted immediately. Their actions were quick but well-organized. They took their neatly folded uniform bundles from the fire-truck and donned their boots, coats and helmets. As soon as they were finished, they climbed onto the truck. The big doors had been opened, the truck had been warmed up, the location of the fire had been written on the blackboard, all

within a couple of minutes. Then we were off.

We were soon at the fairgrounds. One man jumped off the truck and ran to open the gate. The truck was brought in and parked and the

cussed what method would prove most beneficial in fighting fires in those locations.

The final portion of the meeting consisted of an ordered meeting and discussion in the second story of the fire hall. The minutes of the

previous meeting were discussed and reviewed. Chief Mouck and the men reviewed what had been done in the last couple of hours and decided that visits to other village buildings were a good idea. The idea of outlining floor plans for each of the places visited was favoured, along with the idea of maintaining a file of such floor plans for handy reference on fire calls.

This, then, is the nature of the meetings and fire practices held monthly by the Stirling Volunteer Fire Department. Volunteer Fire Chief Graham Mouck and his men are devoting much time and effort in the protection of Stirling from a too familiar enemy, fire.

MAYELL -- GRAFF WEDDING

MR. AND MRS. GARFIELD MAYELL

Mount Pleasant United Church was the setting for the marriage of Judith Eva Mae, daughter of Mr. and Mrs. Wilbert Graff, Stirling, R.R. 3 and Marvin Garfield Mayell, son of Mr. and Mrs. Charles Mayell, Stirling, R.R. 4, on July 13, 1970 at 7 p.m. Padre Love (R.C.A.F. Trenton) officiated. Mrs. Harry Brown provided wedding music.

Given in marriage by her father the bride wore a gown of pure silk organza over taffeta with aliencone lace on the yoke, cap sleeves and skirt. Her chapel train was trimmed with aliencone lace. Her headpiece was a four tier floor-length veil and she carried a bouquet of Sweetheart roses.

The bride's sister, Sharon, was maid of honour and sister Debbie and Kathy Thompson, Ottawa were the bridesmaids. All were identically attired in mauve floor-length dresses of polyester with mauve ribbons in their hair and white lace gloves. They carried clusters of mauve, white and yellow 'mums. Kim Graff sister of the bride was flower girl. She wore white over mauve taffeta with mauve sash and carried a basket of white, yellow and mauve 'mums. The groomsmen was Milton Boyd, Toronto, and the ushers were Wayne Mayell, Dwayne Mayell, brothers of the groom and Jeff Mouck.

The reception was held at Stirling

Legion Hall. The bride's mother received her guests in a turquoise dress and coat ensemble with bone accessories and corsage of bronze 'mums. The groom's mother assisted in a bone crepe coat and dress ensemble with bone accessories and corsage of bronze 'mums.

For the wedding trip to Eastern Ontario, the bride donned a yellow knit pantsuit with mauve orchid corsage.

Out-of-town guests were present from Toronto, North Bay, Ottawa, London, Belleville, Trenton, Peterborough, Tweed, Madoc, Washington D.C. and Glen Ross.

On their return the couple will take up residence at 807 Waterloo St., London, Ontario.

Twenty-First
Hubble Reunion

(by Mrs. Percy MacMullen)

On Sunday, July 26th the Hubble clan held their twenty-first re-union at Zwick's Island, Belleville with forty men, women and children in attendance.

The guests came from Marmora, Foxboro, Belleville, Frankford, Wooler, Stockdale and Stirling.

There were three visitors Mr. and Mrs. Fred Stewart, Oak Park, Michigan and Miss Elizabeth Jackson, Frankford.

The president, Mrs. Harold Johnston, Carmel welcomed the group and her aunt, Mrs. Percy Hubble gave the invocation.

Following the dinner Sid Demorest, Marmora took up the collection amounting to fourteen dollars and fifty cents. This is used for prizes, postage and cards to the ill. Mrs. Clifford Hubble was in charge of the arranging of the prizes.

Those who came the farthest, Mr. and Mrs. Sid Demorest, Betty and Tommy, Marmora; Lucky Lady, Mrs. Percy Hubble, Stockdale; Lucky Man Myles McDonnell, Stirling; Oldest Lady, Mrs. Percy MacMullen, Mount Pleasant; Oldest Man, Harry Harrington, Frankford; Youngest Baby, Pamela Lynn McDonnell, Stirling. All the children received a bag of potato chips.

The business period opened with a period of silence for deceased members. Mrs. Percy MacMullen gave the "In Memoriam" and read a poem. She read four names of deceased.

November, 15th, 1969 Percy Hubble, Stockdale; December 25th, 1969, Clarence Wallbridge, Havelock; December 28th, 1969, Mark Montgomery, Frankford; February 19th, 1970, Edward Montgomery, Mount Pleasant.

The Secretary-Treasurer, Mrs. Russell Pyear, Belleville read the 1969 minutes and gave the financial statement. Russell Pyear spoke briefly and conducted the election of officers. President, Cecil Hubble, Foxboro; Past President, Mrs. Harold Johnston, Stirling R.R. 3; Vice President, Sid Demorest, Marmora; Secretary-Treasurer, Mrs. Percy Hubble, Stockdale; Corresponding Secretary, Mrs. Arthur Pyear, Frankford R.R. 3; Prizes, Mrs. Clifford Hubble, Frankford R.R. 3.

The 1971 Re-Union will be held the fourth Sunday in July at Zwick's Island Park, Belleville. The Cor.-Sec. will send messages to Charles Morton, Campbellford and Mrs. Everett Hubble, Belleville.

A vote of thanks was tendered Mrs. Harold Johnston and Mrs. Russell Pyear, the two retiring officers for their various duties. Mrs. Pyear has served several years as Secretary-treas. and Mrs. Johnston has completed two years as Pres.

The historian, Mrs. Percy MacMullen gave a short message. She said "At this time we honour our pioneer Nehemiah Hubble of Mount Pleasant who came to Hubble Hill in 1784 as a United Empire Loyalist. Later his wife Lucinda Welton and children came to the wilderness to reside. From that early beginning we of the seventh and eighth generations are here today.

We also pay tribute to the late Lorne and Luella Hubble of Murray Township who sponsored our first re-union on July 23rd, 1950 at Presquille."

Since our last re-union there has been one marriage, Linda Ann Johnston and Myles Stewart McDonnell.

Ross Hubble, Wooler observed his 80th birthday in March.

Arthur and Vera Pyear, of Carmel observed their golden wedding anniversary in March.

One birth, Pamela Lynn McDonnell. On June 7th Percy and Florence MacMullen sponsored a Maybee-Montgomery Re-union at River Valley W. I. Centre. Several of this group also belong to the Hubble clan.

On June 21st Clifford and Mabel Hubble entertained their family in Carmel Community Hall.

On July 17th Jacqueline Terry, daughter of Mr. and Mrs. Don Terry Stockdale, was given a bridal shower previous to her marriage in August.

The group enjoyed a social time together before returning home and so another year has passed into history.

ROSE -- MacLEOD WEDDING

MR. AND MRS. GARY ROSE

St. Paul's United Church, Stirling, church hall, the bride's mother was the scene of the recent wedding greeted her guests wearing a pale of Marilyn Rae MacLeod, Toronto, blue embossed knit coat and dress ensemble with white accessories and a corsage of pink roses and carnations.

The bridegroom's mother wore an aqua fortel coat and dress ensemble with white accessories and a corsage of pink roses and carnations. For the wedding trip the bride chose a mint green shantung coat and dress ensemble with white accessories and a white orchid corsage.

The couple will reside in Toronto.

IMPORTANT
NOTICE

IT IS WITH EXTREME REGRET THAT THE MANAGEMENT OF TAYLOR'S FROSTY LOCKERS, CAMPBELLFORD, IS FORCED TO ANNOUNCE THE DISCONTINUANCE OF BUSINESS EFFECTIVE SEPTEMBER 5th, 1970.

This move is unfortunately necessary as the result of medical advice.

After August 22nd, 1970, we will no longer be able to accept meat or other products for processing.

We will however, remain open to sell any products we may have on hand and to allow time for locker patrons to remove the contents of their lockers and to make other arrangements for storage. The deadline for removal of all contents must be no later than October 10th, 1970.

Special notice to all those who have paid locker rentals in advance. A satisfactory refund will be made. It is also requested that all accounts owing be paid by October 10th, 1970.

Bert Taylor and staff wish to apologize for the necessity of this action and to thank their many friends and supporters during their many years of business in Campbellford.

Enquiries are invited from parties interested in purchasing the building and equipment either together or separately.

Rylstone W.I.

Rylstone Women's Institute held their August meeting in the W.I. Hall on Wednesday afternoon, August 5th, with an attendance of 12 ladies and 12 young ladies.

Mrs. L. Anderson, president was in charge of the opening and business. Mrs. Ellis Jones was pianist for the day. The Institute Ode and Lord's Prayer was followed by a welcome to visiting ladies and girls. Mrs. Ernest Irwin gave the Sec. Treas. report, and reported on the success of the refreshment booth at Campbellford Fair.

Mrs. Douglas Brunton, leader of the girls 4-H Club was convener for the splendid programme given by the girls as follows —

Topic for girls "How Loveable Are You?" by guest speaker, Mrs. Cora Reid. Piano Solo "The Impossible Dream" by Marlene Shortt. Reading "The Beauty of Life" by Elaine Bur-

ton, Vocal Solo "Eidelweiss" and "Born Free" by Helen Stapley, with piano accompaniment by Lenora Stapley, Reading "My 4-H Club Story" by Cathy Bullough. Piano Solo "It is no Secret" by Lois Reid, Reading, "Nobody Cares for 4-H in this Club" by Dianne Brunton. Piano Solo "Born Free" by Denise Irwin. Piano Solo "There'll Never Be Another You" by June Rutherford, Reading "Baby Sitter" by Mrs. Earl Brunton, Assistant Leader. The girls had a very neat and interesting display, showing their work in First Aid and Physical Fitness.

The meeting closed with "God Save the Queen," and lunch was served by the hostesses, Mrs. Ernest Irwin and Mrs. Ellis Jones assisted by Mrs. Lindsay Anderson and Mrs. Don Stewart.

There will be a special meeting in the W.I. Hall on Thursday afternoon, August 13th, to prepare programmes for the balance of the year. Convenors of Standing Committees please note, and bring your suggestions for programmes.

Brother of Mrs. Harold Elliott Honoured By Church

Mr. W. E. Heath, of Edmonton Alberta, was recently presented with a Life Membership in the Committee of Stewards at Metropolitan United Church, at Edmonton. The presentation was in recognition of the many years of service he has given to the work of this committee. Following is the address read to him.

Members and friends of Metropolitan, an introduction of William Gerald Heath seems almost unnecessary. His name and active presence have been part of the Metropolitan scene for well over half a century. He is one of our oldest active members and his contributions to the life and work of Metropolitan are numerous.

Bill Heath was born in Stirling, Ontario. He taught school and attended Belleville Business College before coming west in 1912. After a short period of teaching and employment with a construction company, Mr. Heath was appointed registrar of Alberta College in 1913, a position he held until 1963, a period of fifty years, which must be a record for such a vocation. Mr. Heath estimates that during his years as registrar he saw 75,000 students pass through programs at the College. He shared in the College's successes and difficulties; the great surge in registration after World War I, the tenacious determination of the College to survive the depression, the expansion and modernization after World War II.

Bill Heath joined Metropolitan United Church in 1916. In 1922 he was elected to the Committee of Stewards. In 1926 he was appointed Secretary of the Committee, a position he held until 1948. He served as secretary of the building committee which developed the plans for our present church.

Perhaps most people in Metropolitan became acquainted with Bill Heath in his capacity as an usher. He began his service as an usher in Metropolitan in 1918 and continued to greet people with his cheery smile until 1967.

It is therefore fitting that on Layman's Sunday, 1970, we recognize and honor a man who for so many years has served this congregation so well.

William Gerald Heath, it is a pleasure and an honor for me, as Chairman of the Committee of Stewards, to confer on you Life Membership in the Committee of Stewards of Metropolitan United Church in recognition of forty-eight years of faithful service. May God's richest blessing attend you.

PRODUCING QUALITY MILK

All experienced dairymen know the importance of producing quality milk for best returns. Certainly clean cows, and stables, and proper feeding and milking practices play a big

role in the quality of milk. But the most important factor is the dairyman's desire to produce top quality milk from his operations.

One of the more obvious, yet frequently limiting factors in production

of quality milk is failure to follow a prescribed procedure for cleaning dairy equipment and utensils. You will need both acid and alkaline cleaners to do the job right, and a system such as the one below:

1. Rinse equipment thoroughly, right after milking.
2. Wash with proper solution (acid or alkaline) at 165 deg. F. for cleaning in-place equipment, and 130 deg. F. for manual cleaning.
3. 10 minute washing time for pipeline recirculation.
4. Use manufacturer's recommended strength for washing solutions.
5. Should have plenty of agitation of washing solution.
6. Use an acidified final rinse to remove all washing solution.

STIRLING HORTICULTURAL SOCIETY

Finish any rose pruning of climbers, unless the hips are wanted for their winter beauty. Cultivate the Rose beds lightly, just enough to keep weeds down. Burn all fallen, diseased foliage. Apply the dust gun regularly.

7. Sanitize all equipment before milking.

THE FARM NEWS LETTER OF HASTINGS COUNTY

From Ontario Department Agriculture & Food, Stirling

FARM RECORD SERVICES INCOME TAX FILING

Over the past few years, and in particular in the last few weeks, there have been a number of inquiries and complaints about various companies providing farm book-keeping and income tax services. The complaints have fallen into a few main categories and there are some suggestions and cautions for prospective users.

Basically a farm record service should provide information that is useful and acceptable for both farm management and income tax purposes. There has to be a logical system of recording this information and also a means to retain all bills, invoices, receipts, etc. What should one look for in a farm record service, and what should the individual consider before engaging an individual or company to file his income tax returns? Let us first look at some of the basic information that makes farm records and income tax filing less of a tedious task.

Essentials for Farm Records

1. Establish a chequing account at your local bank. A CURRENT ACCOUNT is preferable as you receive your bank statement and cancelled cheques within a few days after the end of the month. A PERSONAL or TRUE CHECKING ACCOUNT also returns your cancelled cheques, but you do not receive these, or your statement until later in the month.

2. Pay all purchased items by cheque if they are not charged on a monthly account. Pay all accounts by cheque.

3. Obtain a bill for all purchases. Also make sure that the bill states clearly what the items are. When charging items, obtain a bill, and check this against your monthly account when it is received.

4. Record all farm business transactions in some form of Farm Record Book. There are books available, many free of charge, that are suitable, or you may set up your own headings.

5. Retain all bills, invoices, statements, cancelled cheques, etc. There are many suitable means. One of the simplest is to use 12 large brown envelopes, one for each month of the year. If you do not have a bill for a particular item, carry a small note pad, and record the date, item and amount and file this.

6. The above points all deal with keeping a permanent written record of the farm business. This is essential as a person's memory cannot always recall each particular detail that occurred during the year. In addition, you may be called upon one, two or more years later to prove an expenditure or receipt. Without the actual bill or receipt this could be very difficult. Keep meaningful records, retain your necessary statements and enjoy farm record keeping.

Points to Consider in Looking For Farm Record And Income Tax Filing Services

1. Do not be pressured into any system. Take time to think it over. It is your money, and you should have time to think over any system you are paying for.

2. Sign absolutely nothing unless you know exactly what is written or implied. If in doubt, ask your lawyer, Ontario Department or Agriculture and Food, or bank manager.

3. Prepaying for services to be rendered in the future is risky at the best of times. A deposit is reasonable to expect, but not paying for services that have not been received.

4. If it is indicated that certain extra services, e.g. setting up a basic herd, are also provided, obtain in writing whether this will be done at an extra charge or not, and within what time period.

5. A contract should specify what services will be provided, and what is expected of both parties. The farmer has an obligation to keep the information as required. If an inquiry arises out of income tax filing the farmer should know who will handle any questions. If it is your responsibility, you are better advised to file your own returns. If someone else handles these matters, you

will want a guarantee that it will be done promptly and correctly.

6. Know how many farm visits will be provided in the service, and what is expected of you.

7. Inventory and depreciation records should be returned annually to the farmer.

8. If in doubt, don't.

Any reputable company or individual will discuss the above points with you. If you are concerned about any pressure, or false statements with regard to these services, contact your local office of the Ontario Department of Agriculture and Food, your Bank manager, or the local office of the Better Business Bureau or Chamber of Commerce. Farm records and income tax filing are essential. Make sure that you are obtaining the best service available. If you wish assistance in setting up

a Farm Record System, contact your local office of Ontario Department of Agriculture and Food. "LET THE BUYER BEWARE"

Trenton Canadian Forces Band To Play At Stirling Fair September 5

At a well attended Directors' meeting of the Stirling Agricultural Society (Fair Board) held Tuesday night of last week plans were further made for Stirling Fair, September 4th and 5th. Geo. Sutherland, President, chaired the meeting.

CFB Trenton Band
To Perform at Fair

Secretary Ray E. Shortt reported that through the efforts of Geo. Hees, M.P. Prince-Edward Hastings, arrangements had been made to secure the Canadian Forces Band Trenton Voluntary Brass-Reed Band, under the direction of Sergeant A. J. Van Lennst, Pandmaster for Saturday afternoon of the Fair.

DeCarroll Electric, Campbellford, were engaged to provide the public address system for the Fair.

Additional Specials
For Horse Classes

Three additional specials in the Horse Section were approved as follows:

1 For the team that takes the most weight out on the even whiffletree in the horse drawing contest. (Fair drawing rules to apply) — \$20.00.

2 For best matched heavy draught team in harness hitched to suitable wagon — \$20.00.

Two two above prizes have been donated by Morris Webster Harness Shop Ltd., Oakwood, Ont.

3 For the best teamster in the drawing class — \$5.00 donated by James McMullen, Stirling.

Ralph Jeffs was appointed to look after the attendance gates Fair Day.

Malcolm McMullen and Bob Dandford agreed to look after having the blocks and stoneboat on hand for the horse drawing contest.

A bee will be called at the Fair Grounds during the next two weeks to erect a new wooden fence around part of the race track.

A complete programme of events will appear in next week's issue.

Summer Services At St. Andrew's Well Attended

The morning service in St. Andrew's Presbyterian Church was fashioned to blend with the hot summer season. A more informal order of service was used and all hymns were pilgrim songs.

The guest soloist for the day, Mrs. Donald MacInnes, accompanied by the church organist, Mrs. H. Morrow, sang "A Song of Trust," by Whyte.

The summer minister, Rev. Donald MacInnes, centred his message on the theme "Strength for the Road."

Next Sunday at 11 o'clock the soloist will be Mrs. G. F. McInroy, sister of the organist. Sermon theme will be "Optimism for Tomorrow."

Good judgement comes from experience — usually experience which was the result of poor judgement.

Springbrook Midgets And Squirts Softball Teams Win And Lose

SPRINGBROOK MIDGETS

The Springbrook Midget "B" O.A.S.A. team travelled to Napanee for the second game of Zone semi-finals and were victorious by a score of 11 to 2.

This entered them into zone finals against Port Perry with the first game played in Marmora last Monday night. The final score was 3 to 1 in favour of Springbrook. This was a very closely fought game as Springbrook left a lot of runners on base.

The second game will be played in Port Perry to-night (Wed.). This Midget team hope to be able to win this second game and not be forced to a third game.

SPRINGBROOK SQUIRTS

The Springbrook Squirt O.A.S.A. team entered Zone semi-finals after defeating Napanee by a score of 12 to 9 in the second game thus taking that series two games straight.

Given 70 Blood Donations

R. E. Fox, of town, was honoured last week with a pin from the Canadian Red Cross Society. Mr. Fox has reached his 70 mark of volunteer blood donations to the Red Cross Society at Belleville.

SPORTS NOTES (by Mike Finnigan)

JOHNSTOWN EVENS UP SERIES

Aug. 11th — Glen Ross opened up the series with a convincing 5-2 win. They did it with the help of the long ball. Peter Utman clouted a home run back to the left field fence, while Barry Pyear whacked a home run over the centre fielder's head.

Gord Spencer, whose has been doing a lot of pitching of late, came up with the win. He struck out seven while giving up four walks. Lyle Faulkner, Rick Shorey, and Ted Dobson rounded out the hitting.

Wait supplied most of the hitting for Johnstown as he cracked a double and a single. MacCaulay took the loss, giving up seven hits and walking two batters.

Glen Ross looked a little sharper in the field than of late and as a result they only committed two errors, one on a throwing error and another on an easy ground ball.

Aug. 13th — Three unearned runs was the story down in Johnstown. Johnstown took advantage of them and came out winners by the score of 6-1. Armstrong held the Glen

Ross Expos to four meagre hits and Glen Ross seems to be plagued with not being able to win in Johnstown. They have won one game down there. Bob "Coco" Cooke relegated to the mound, pitched good ball but the Expos couldn't produce any substantial hitting.

The next game is Tuesday night in Stirling and the fourth game Thursday night in Johnstown. Come out and support these two teams.

SERIES "B"

Crookston leads Halloway 1-0 with one game tied. Crookston defeated Halloway in Halloway in the first game by a very convincing 8-2.

Last Thursday night in Stirling it was a real good ball game. Gail Allan ripped a home run the first time up. Then the pitching started to tighten up with a 2-2 tie through seven innings, and that's the way it ended up.

Montreal Expos won 2 out of three games from Houston. The Expos, playing in the Astrodome, won 10-2 Friday night with "Le Grand Orange" Rusty Staub hitting two homers and Aolfo Phillips one. Saturday they were beaten as Carl Morton can't seem to get that 15th win. Sunday, Bob Bailey hit his 20th home run to give the Expos their 51st win of the season.

Bride and Groom Honoured

Mr. and Mrs. Jim Shier were honoured at a garden party, given by Mr. and Mrs. Harry Holden, Stirling, on Friday evening, last. There were 40 guests present.

The bride and groom received many beautiful gifts. An address was read by Mrs. Harold Holden.

On Monday night they were home to Cobourg in the first game of zone semi-finals. They were defeated in this game by a score of 12 to 6. Only two of Cobourg's 12 runs were earned as Springbrook Squirts had many errors.

They travel to Cobourg this Thursday night and they feel quite confident that they can force this series to a third game. So good luck boys.

ENGAGEMENT ANNOUNCEMENT

Mr. and Mrs. Norman Brown, of Stirling, announce the engagement of their only daughter Norma Florence to Thomas William Wilcox Jr., son of Mr. and Mrs. Thomas Wilcox, of Wilberforce. The marriage will take place Saturday, September 12, 1970 at 2:00 p.m. in St. Andrew's Presbyterian Church, Stirling. 31-1p

DIS AND DAT

John Holmes furnished the lunch at Senior Citizens last week. His (Harem) composed of his sister Annie, Phyllis Campbell and Lois Hoard did the chores. It was a very hot day and everyone was heavy on the drink which was a beautiful combination of cold fruit juices. Pres. Fred thanked John and his assistants for the nice lunch.

We had one caller, Brenda Campbell from (MY BANK). I guess John wanted to show us one of the beauties from his neighbourhood. She was just that... come again Brenda.

The award is a gold plated wrist watch and was presented to Jim by Mr. Jim Harris of the Sales Dept. of General Motors of Canada.

Of the thousands of General Motors retail salesmen across Canada just over one hundred were successful in winning this award.

Quinte District Water, Sewage Plan Approved By Minister

The Hon. George A. Kerr, Ontario Minister of Energy and Resources Management, has approved an order of the Ontario Water Resources Commission designating Quinte district municipalities as a public water and sewer area.

Municipalities named in the two orders are Belleville and Trenton, the villages of Stirling, Frankford, Brighton and Wellington and the townships of Thurlow, Sidney, Murray, Brighton, Ameliasburg and Hillier.

The order came as the result of a public hearing on July 28.

The conclusion of commission members at the hearing was that there was an urgent need for the provision of water and sewage services on an area basis and that to provide an adequate supply of high quality water for the area municipalities it would be necessary to develop a water system with Lake Ontario as the source of supply.

Also, it was felt that an area-wide public sewage service would provide for the most satisfactory method of sewage treatment by avoiding the need for the construction of undesirable upstream plants.

The assistance available through the OWRC would enable a uniform and flexible area water and sewage service to be developed with minimum servicing costs to meet the future demands of municipalities in the area.

Members on the area water and sewer boards will have to be named by the various municipalities and specific projects will have to be planned and worked out.

Even after approval is given for the project, it is estimated it would be at least four years before lake water would be available.

Stirling Pee-Wees Win First Game Zone Finals Against Napanee

DEFEAT COBOURG TWO STRAIGHT

Last week the Stirling Legion Pee Wees defeated Cobourg by 9-2 and 6-5 scores to move them into the third round of the O.A.S.A. playoffs.

First Game

In the first game, Dave Jeffs hurled 7 strikeouts and only allowed 7 hits and 2 runs as the Stirling club were victorious by a 9-2 count. Scoring runs for Stirling were DeJong, Myers, and Blakeley with 2 runs each, and Jeffs, Solmes and McGee with one run each.

Second Game

Dave Jeffs and Terry Bailey were an outstanding battery as Jeffs only allowed 7 hits and 6 runs and we also pitched 8 strikeouts as Stirling wrapped up the series by defeating Cobourg 6-5. Runs for Stirling were scored by Jeffs and Myers with 2 runs and Dobson and Blakeley with single runs.

MONDAY'S GAME AGAINST NAPANEE

With the strong pitching of Dave Jeffs, who pitched 13 strikeouts and only allowed 2 hits and gained a shutout, Terry Bailey also caught a fine game. Runs were scored by

The August meeting was held at the home of Mrs. Raymond Chambers. In the absence of Mrs. E. Cooke, the Vice-President, Mrs. Arnold Wannamaker, presided. Six pins were sold. Difficulties with the Tweedsmuir History Book were discussed by Mrs. Rodgers. Miss Lenora Williams gave a talk on health with an outline of vitamins worked out by the members.

Mrs. M. Ward dealt with Current Events. Readings were given by Mrs. Bartlett, Mrs. Senior, Mrs. Smith and Mrs. Rodgers.

Next meeting will be a pot luck dinner at Mrs. Jones' cottage at Oak Lake.

ASK THE PASTOR

QUESTION — Is it a sin to be creamed?

ANSWER — It could be put in one word, no. You are not creamating body, soul and spirit. You are only creamating the body and the rest is gone to be with the Lord, and will be judged someday.

QUESTION — Our papers are filled with mystery murders. Women and girls being forced into automobiles and later found raped or both. Would this be because of the immodest dress?

ANSWER — If a woman is not selling her body on the altar of lust let her take it off the display counter. People who have something to sell usually show it and advertise it to the public.

The Bible says 1 Timothy 2:9, 10 "In like manner also, that women adorn themselves in modest apparel, ... (which becometh women professing godliness) with good works."

We can not say that this is what happens every time but it sure does add to it. We are to dress modestly.

After serving as editor and publisher of the Stirling News-Argus for the past six years, Robert L. Hullin has sold the newspaper to Eldon Kemp of Trenton.

The commercial end of the local printing firm will continue to be operated by Mr. Hullin under the name of Stirling Commercial Printing. The new firm will deal exclusively in all types of job printing, wedding and social stationery, rubber stamps, photocopying and continuous forms.

The Stirling News-Argus and Stirling Commercial Printing will both be operated from the present building, which will be renovated to make two separate offices. The change in ownership will take place September 1st, 1970.

ELDON KEMP

Mr. Kemp, 29, is at present the senior reporter-photographer at The Trentonian where he has been employed for 10 years. He will terminate his duties in Trenton on Friday.

He joined the Trentonian in 1959 following his graduation from Campbellford High School. After spending nine months at the newspaper's Brighton bureau, where he handled news, advertising and circulation, he was promoted to the Trenton office as a reporter-photographer.

Following a year and a half in 1962-63 in the news department at the Radio-TV Centre, CKWS, Kingston, he returned to the Trentonian.

Born in Stockdale, he is the son of Rev. and Mrs. Gerald W. Kemp who moved to Marmora from Newmarket earlier this week.

Mr. Kemp is married to the former Margaret Sine, of Frankford, and they have two children, Walter, 2½ and Michelle, seven weeks. The family has taken up residence at 84 James St. in the village.

the usual way with Institute Ode and Mary Stewart Collect.

Mrs. Currie, the assistant secretary-treasurer, called the roll. It moved by Velma Saries and seconded by Mabel Irvin that we buy the Club leaders, Mrs. Ted Pollock and Mrs. Russell Sills, plus for their excellent duties. The sale barn was discussed which we enter at Hoad's the last Monday in August. For September meeting, the Institute ladies are going by bus to Land Century Village at Keene and the Serpent Mounds Provincial Park on the regular day September, the 9th.

The convenors gave short reports and the meeting was turned over to Mrs. Chas. Irvine, convenor for resolutions. She opened this part of the meeting with a few old songs from the song sheets. "Happy Anniversary" was sung to Mrs. Currie on her 35th wedding anniversary. Readings were given by Velma Saries, Lib Wallace and Ada Roeper. Mrs. Irvin introduced our guest speaker, Constable Hawley, who spoke on driving and Highway Laws, after which anyone was free to ask him any questions on driving and highway laws which made it very interesting. Mrs. Irvin presented Constable Hawley with a gift for taking time off to come and talk to us.

The collection was taken and Mrs. Dan Cooke thanked Mrs. Mitts for opening her home and Constable Hawley for his fine talk. The meeting closed with the Institute Song and Mrs. Mitts and her assistants served a dairy lunch.

Polio In Family Launched Minister On Hobby of Mercy

It was just 16 years ago that Sheila Essex came home after five years in hospital with polio. And it was that summer of 1954 which launched her father into an intense interest in respirators which has benefited not only Sheila but disabled people throughout Ontario.

Rev. Roy Essex, who is now 60 and very active as a Baptist chaplain in Toronto, found he had to learn about respirators in order to keep his daughter breathing. But just enough knowledge to do this did not satisfy him. Having had engineering training before becoming a minister, he wanted to know all about every kind of respirator then in use.

The March of Dimes, now known as the Ability Fund, was all for it. It sponsored a trip for him to Conitoch, N.Y., where he learned about the Huxley machine (invented by a relative of Aldous Huxley for one of the family who had contracted polio). Then he spent a week in Denver, Colo., to learn the intricacies of the Monaghan machine, and another week in Boulder, Colo., to find out about the Thomson. Back home he managed to learn enough

about other machines, such as the large Drinker machine in which the patient is almost totally enclosed — as compared to the others which embrace only the chest in a plastic shell.

And ever since this training, Mr. Essex has been repairing respirators, free of charge, for anyone in Ontario who needs the service. When he has to go out of town — recent trips, for example, were made to Kingston, Owen Sound and Nipigon — the Ability Fund pays his expenses. He's liable to get a call at 3 a.m. or during a weekend because obviously when one is unable to breathe properly, it's an emergency situation. He regularly services the machines of about 25 people and every once in a while he has a call from someone he hasn't heard of before.

The demand for respirators is gradually falling as the incidence of new polio cases has fallen to almost zero — there were just two new cases in all of Ontario in 1969. This is precisely why a man like Mr. Essex is so useful. Ever since discovery of the Salk vaccine in 1955, the demand is so low compared to the late 40s and early 50s that it is difficult to get necessary replacement parts. New models are now being made but many patients prefer not to change. Mr. Essex sometimes has to cannibalize another machine for a part, or have it made

Mrs. Jean Ballantyne Page and Rev. Roy Essex demonstrate use of a respirator which he keeps in good repair for her. Mrs. Page, who had polio, earns a living at home taking telephone orders for a chemical

up specially.

In most cases the respirator is used only at night for old polio cases but new uses are being found for it. Respirators have been found useful when a person breaks his neck, also in certain forms of sclerosis. And Mr. Essex and the Ability Fund, which tries to rehabilitate adults who have been disabled from any accident or disease, do their best for them all.

From his experience with disabled people, Mr. Essex has developed a philosophy "The essence of a return to normalcy is that a disabled person be treated like any other," he says. "A disabled person does not want pity, but he does need help to get started back on the road to independence."

Swimming Awards
At R.V.W.I. Centre

(by Mrs. Percy MacMullen)

On Thursday evening, August 13 the annual awards night for the swimming class was held at RVWI Centre. Approximately seventy-five men, women and children were in attendance. For several years the

Institute has sponsored ten days of swimming lessons at the Kinsmen Pool, Belleville.

Mrs. Glenn Bush was in charge of the arrangements and the children were transported by chartered bus with some of the mothers as chaperones. Mrs. Bush was chairman on this session and introduced Ines Sulhevich assistant manager at the pool. She gave a full description of the various badges and outlined the requirements needed to pass and test. She then presented the awards to the successful children in the various classes.

Mrs. Roy Tucker president of the Institute voiced appreciation to Grace for arranging the class. She welcomed the group in attendance and extended thanks to the instructor. She said that River Valley WI had always been safety conscious. Everyone then enjoyed hot dogs on the lawn with three of the men in charge of barbeques — Jack Bush, Glen Bush and Merritt Wood.

Thirty eight children took part in the swimming class for ten days and

later several of the Seniors spent five days in a special test. The children attending the class were — Morton Foshay, Cindy Foshay, Marlene Foshay, Rodney Bush, Jeffrey Bush, Mark Dobson, Jean Richardson, Kelly Dobson, Kevin Brooks, Keith Brooks,

Gary Utman, Linda Hoard, Heather Hoard, Leslie Tucker, Ralph Tucker, Steven Bush, Alvin Hubble, Karen Wood, Robert Bush, John Bush, Douglas Bush, Susan Bush, Jeff Farrell, Sherry Farrell, Steve Benson, Melanie Belth, Bradley Bush.

Dollars and Good Sense

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

Dear Mr. Martin: — I've been reading your column for several months now and enjoy the news and advice you provide. I'm a firm believer in budgets and I've probably tried them all, but I've come up with one now that I think is a winner. Here's how it works.

Instead of dividing your money up among several envelopes for different expenses, I divide it up between several checkbooks. I have one checking account, but several checkbooks. I deposit all my income to the account and then enter the amount of money I've budgeted for each expense item in the appropriate checkbook.

I have checkbooks for food, clothing, auto expense, utilities, medical, entertainment, insurance, auto and house payments, savings, general purchases, and miscellaneous expenses. My wife and I have found that we are less tempted to borrow from one account with a surplus when another is out of money with this system, and we find that we actually are able to save more money this way.

For the first time in my life I'm living within my means, with an itemized accounting of all my expenditures. Perhaps you could pass this system on to your readers. The system works for me, I'm sure others could use it too. Mr. R. W. B.

Dear Mr. R. W. B. — There are probably as many variations in budgets as there are budgets, but yours is a fairly unique system, and I'll be happy to pass it on for the benefit of any readers who may be interested.

I've often talked about budgets in this column. A budget is simply a plan to control your expenses. The best budget is the one that's tailored to your own needs. It certainly is not necessary to become involved with a lot of bookkeeping, although that works for some.

The main point is that everyone, and I mean everyone, must have

some system for controlling expenses. A family budget plan adds to the security of your family and helps you live more fully at the present while planning for the future. It helps you to get the most from your resources while maintaining a safeguard for emergencies.

We still receive letters from readers who want to know how much of a down payment should they make on a new car, furniture, new home, etc. In most cases they want to know specifically how much they should "plunk down." Unfortunately I've never been able to tell them in exact dollars and cents simply because I'm not familiar with their financial problem. At any rate, perhaps the following advice on the down payment will be helpful to other readers who are having the same problem.

I generally agree that it's sound and makes sense to make as large a down payment as possible. Over the lifetime of the loan you will save on interest. But interest, in order to be meaningful to any of us, must be translated into dollars and cents. Thus, the smaller amount of money you finance (borrow), the less money you will end up paying (in interest) over the years. And logic dictates that the less you pay for the product or service, the better deal you've made for yourself. Look at it this way:

The car you buy may be financed over a three-year period. You'll also probably be paying on your home mortgage for 25 or 30 years. Now the factor I would look at when deciding whether or not to put an extra \$100 down on the car... or an extra \$1000 down on the house is this:

What will this do to my monthly payments and what will the lack of that extra \$100 or \$1000 do to my budget and my standard of living today?

It's true that over the lifetime of

WATER AS A NUTRIENT

On all Hog Feed tags, there is a statement that "A continuous supply of fresh clean water is essential at all times." We all know this, and pay some passing interest to making sure pigs get all the water they can drink.

Feeder Pigs — 1 to 2½ gallons
Pregnant Sows — 3½ to 4½ gallons
Lactating Sows — 4½ to 6 gallons
Any restrictions on water intake

would lead to reduced performance and in the case of sows to possible cessation of lactation, and loss of the litter. We pay attention to this question of supply, but very little interest is taken in an equally important feature of water nutrition —

Water quality. Because of the volume of water an animal consumes the presence of small amounts of contaminants take on added significance.

cance. These contaminants can take the form of an actual pathogenic bacteria of a poison, such as nitrates or nitrites.

Imbalance in the mineral nutrition of the animal, particularly the calcium-phosphorus ratio, is another not so obvious, but nonetheless, important stress that can effect animal performance, through the water. All these factors can be controlled, but generally speaking, are assumed to be of little significance. Even when problems develop, a check of the water is not one of the investigative steps usually taken. These things are easily checked with today's modern technology, partially through provincial departments, or through UCO.

THE BIBLE TODAY

A recent telephone call to the offices of the Bible Society of Nigeria brought a request to show a film at a meeting for girls taking place near Lagos. Knowing about a much-publicized conference of Girl Guides International, the Bible Society staff member was pleased to have this unexpected opportunity to present "The message of the Book." When he arrived at the conference, he found the leaders unaware of the invitation. Nevertheless, the schedule was adjusted for the film, which 600 Girl Guides viewed. At the end, 500 Scripture Selections were distributed.

Later that evening the staff member discovered that he had gone to the wrong meeting. The invitation had not come from the Girl Guides but a smaller group, the Girls' Lagos. "In accepting our apology, says General Secretary Ross Manning, "the Brigade rejoiced that the misunderstanding had resulted in a Bible Society contact with such a broadly representative group."

IMPORTANT NOTICE

IT IS WITH EXTREME REGRET THAT THE MANAGEMENT OF TAYLOR'S FROSTY LOCKERS, CAMPBELLFORD, IS FORCED TO ANNOUNCE THE DISCONTINUANCE OF BUSINESS EFFECTIVE SEPTEMBER 5th, 1970.

This move is unfortunately necessary as the result of medical advice.

After August 22nd, 1970, we will no longer be able to accept meat or other products for processing.

We will however, remain open to sell any products we may have on hand and to allow time for locker patrons to remove the contents of their lockers and to make other arrangements for storage. The deadline for removal of all contents must be no later than October 10th, 1970.

Special notice to all those who have paid locker rentals in advance. A satisfactory refund will be made. It is also requested that all accounts owing be paid by October 10th, 1970.

Bert Taylor and staff wish to apologize for the necessity of this action and to thank their many friends and supporters during their many years of business in Campbellford.

Enquiries are invited from parties interested in purchasing the building and equipment either together or separately.

Chatterton W.I.

The August meeting of Chatterton
W.I. was held at the Baptist church
hall with Mrs. Charles Bruinma as
co-hostess. The president opened
the meeting in the usual way follow-
ed by the roll call, Name an old
building that once stood in our com-
munity. This was well answered by
many old buildings mentioned which
have been gone many years.

A short business meeting was
conducted after which the convenor
Mrs. Gerald Irvine took over the
meeting on "Historical Research"
and the meeting was a program
which took us back for fifty years.
Mrs. Carson gave two readings,
from a second book reader of 1920,
"The New Moon" and "Little Sor-
row."

Each member was given a slip of
paper with a topic to talk on for 1

Stirling Legion Pee-Wee Softball Team Capture Zone Championship

After defeating Napanee in the first game of the series 3-0 the boys moved to Napanee where they captured the Zone Championship by defeating Napanee 6-2.

The game started out with looks of rain overhead and the boys found themselves playing in the rain for a while but it cleared up and they went on to win 6-2.

Hitting a home run for Stirling was Stan Myers with other runs going to David Jeffs and Glen Dettor with 3 each and Danny Bedore with one. R.B.I.'s went to Solmes, Myers, Dobson and Jeffs.

WIN TOURNAMENT IN MARMORA

Defeat Marmora 7-3

With the strong pitching of Dave Jeffs the Stirling Pee-Wees defeated Marmora by the score of 7-3 in the first game of the tournament for Stirling.

Dave Jeffs fired 12 strike outs and only allowed 4 hits. Runs were scored by Solmes, Dettor and Jeffs with 2 each and Utman with one.

Topple Springbrook Squirts 11-1

By defeating Marmora the boys moved on to play Springbrook Squirts which they thought was going to be an easy game but Springbrook opened the scoring as Wayne Andrews scored to make it 1-0 but that was soon shook off as Stirling scored 11 runs and the game was finished in five innings.

Runs were scored by Jeffs and McGee with 2 each, DeJong, Dobson, Dettor, Blakeley, Myers, Utman and Solmes with single runs.

Win Final Against Madoc

With Dave Jeffs hurling 12 strike outs the Stirling boys captured their fourth tournament championship by defeating Madoc 13-6.

Runs were scored by Bailey with 3, Dettor, DeJong and Jeffs with 2, and Solmes, Blakeley, and Myers with one run each.

Following the meeting Mrs. Sharp served a delicious lunch.

The next meeting will be Achievement Day.

Former Resident Dies In Toronto

The curator, Mrs. Roy Bush, of River Valley W.I. recently received word of the death on June 12, 1970 of Miss Bessie Hatfield, Toronto, who was a former resident of the River Valley Community.

"At Home"

Mr. and Mrs. Allen Fox, of 396 Browndale Crescent, Richmond Hill, Ont., formerly of Bloomfield, Ont. will be celebrating their 50th wedding anniversary, Aug. 29th, 1970, open house to be held at 239 Alsace Road, Richmond Hill, Ont. 2 to 4 p.m. Please accept this as your invitation.

Bush Picnic

The Bush Family Picnic was held at Riverside Park at the home of Mr. and Mrs. Jack Bush, River Valley on Sunday.

The 80 guests pronounced it an ideal spot and enjoyed a pot-luck dinner under ideal weather conditions.

The youngest member present was Leslie Paul Gossard, Stirling. The eldest was William Bush, of Bayside. The afternoon was spent in swimming and reminiscing.

LONG-LONG-AGO

Ninety two years ago on August 20th our oldest and charter member of Senior Citizens was born. Buttmer Belshaw was the recipient of many good wishes including a citation from The Province of Ontario. His niece Bernice Rollins presented a lighted cake in his honour. Buttmer in his thank you reminisced on his many blessings, the greatest of these, that he and Gertrude were still able to live together in their home. His party was so nice that Flossie Geen, Mina Smith and Nellie Montgomery decided that they too would celebrate. . . . More cakes . . . and over 40 present whooped it up on the birthday song. We sang it four times.

Iva Ayhrhart, Helen Reid and Florence Hough assisted with the lunch. Visitors present were Dorothy Beatty of Toronto, Bernice Rollins and Geraldine Conley.

Rotarians Hear Ottawa Speaker

Members of Rotary Club of Stirling were highly honoured last Tuesday night to have as their guest, Mr. Jack Cross, of Ottawa. Mr. Cross, Assistant Clerk of the Queen's Privy Council for Canada, is a very important man behind the scenes in running the affairs of the Government of Canada.

Mr. Cross told the local Rotarians many interesting experiences he has had during his term of office. He has served under five Prime Ministers of Canada.

Mr. Cross was introduced by Rotarian Dwight Dillabough, who is a personal friend of the speaker. Thanks were expressed to the speaker in an able manner by Rotarian Bob Patterson.

AN EDITORIAL

Thank You

The Stirling News-Argus has been sold to Eldon Kemp of Trenton, who has been doing a successful job as senior reporter-photographer at the Trentonian for the past ten years. He will be using the offset process, which, in my opinion, has innumerable advantages over the letterpress process, which I use.

There are so many whom I would like to thank for support, assistance and kindnesses, that I could never begin to compile a complete list of their individual names. First though, I want to thank the members of my staff who have always given loyal support and encouragement. I think too, of former staff members. I could not have provided the folks of Stirling and the surrounding district with a newsy newspaper without the services of a capable staff. A special "thank you" is extended to the district correspondents for their faithful contribution of weekly news budgets.

Before I proceed too far in my notes about departing from the job of editing and publishing The Stirling News Argus, I would like to tender appreciation to my Assistant Editor, Helen Hulin, without any previous newspaper experience or office training, took complete charge of book-keeping and records, in addition to duties as a wife and mother. I also extend thanks to Bruce Bell for his assistance and direction.

I would like to say that I have always tried to create a good impression of Stirling in the paper for its readers. I have sought to present the idea that Stirling and the surrounding area is the finest place in which one can live, work and play, and in general, enjoy the full life.

Had I not been so busy working in the shop, along with editing and managing the business, I might have had more time for the writing of creative items, such as editorials.

I would like to see the business district of Stirling with a more prosperous appearance. Residentially, Stirling is going ahead fast, with new homes being built on many of the town's streets. One thing in particular which should be of particular concern to business people and Village Council is the need for additional downtown parking facilities for customer parking.

Stirling needs young people who will venture into business for themselves. It has been said that the little businessman in the hometown is a vanishing breed. I hope not!

I feel that I should include a few words about religion in my last message as an editor of a hometown weekly newspaper. To me, religion is better known as Christianity. I have always tried to serve all churches in the paper.

I think that people will always need their church, whatever it may be called. It is the place where folks go to worship their God, where, in the fellowship of their neighbours and friends, they experience a renewing of their Christian faith. The church of today, it seems to me, faces a great challenge to meet the spiritual needs of our people who seek comforting in their anxieties and the assurance that God is not dead, nor a myth.

When this issue of The News-Argus goes to press, I will be watching in an admiring way, as the old cylinder press prints its last issue of The Stirling News-Argus. Next week, the paper will come off an offset press, a different kind of press. But the old cylinder press has served well all through the years.

In writing my last editorial I do so with heartfelt thanks for the many kindnesses, and especially, with a great feeling of gratitude on having been enabled to serve the wonderful folk of Stirling and surrounding area as their hometown editor for the past six years. Incidentally, it will be 25 years in November since I started in the printing and newspaper work as a printer's devil at the News-Argus office, which was located in a shop situated between Bird's I.G.A. Food Market and Seeley's Welding Shop.

I will still look forward to looking after your printing and stationery requirements. Without the responsibility of also publishing a weekly paper I will be able to give my customers faster service on their printing orders. The name of the new business will be Stirling Commercial Printing, with 395-2044 as the telephone number.

My successor, Mr. Eldon Kemp, is a man worthy of filling the editor's chair. I bespeak for him the same support and co-operation afforded me.

In closing I extend best wishes to all for a happy and prosperous future.

Engagement

Mr. and Mrs. Kenneth S. Thompson, of Roslin announce the engagement of their only daughter, Gail Marion to Mr. Gilbert Bruce Woodbeck, son of Mr. and Mrs. Burton Woodbeck of Stirling. The wedding will take place Saturday, September 12, 1970 in Trinity United Church, Roslin.

September is Arthritis Month in Stirling And Surrounding Area

September is "Arthritis Month". Canvassers will be calling at the homes in the Stirling area to collect for this worthy cause. "Of all the forms of arthritis, the most important is rheumatoid arthritis," Mr. Ward Scott, Chairman of the Stirling Branch of The Canadian Arthritis and Rheumatism Society, said in an interview today. "It's important for two reasons: one, because it is so prevalent and, secondly, because it is a crippling."

Mr. Scott emphasized that rheumatoid arthritis may leave the patient bedridden or confined to a wheelchair; unable to walk, unable to write, unable to comb his hair or feed himself. And he may suffer in tense, persistent pain.

"Fortunately," he added, "today there is help and there is hope. The Canadian Arthritis and Rheumatism Society is doing a fine job in this critical area of diseases. Over the past two decades, a great deal has been accomplished, to the point where today, with early diagnosis and modern treatment, severe crippling due to arthritis can be prevented in about four out of five patients." Research, supported by the Society, has made possible a network of Rheumatic Disease Units, a core of trained investigators and a growing number of research projects oriented to research in the arthritis field.

September is "Arthritis Month" in Canada. The Canadian Arthritis and Rheumatism Society seeks your support in providing information about arthritis and the other rheumatic diseases to both the patients and the public. Said a Society spokesman: "It is better to prevent disability than to correct it."

Mr. Scott also stated that home therapy is now available in the Stirling area if the case is serious enough and this service is requested by the family physician.

Springbrook Midgets Zone Winners

The Springbrook Midgets B.O.A.S.A. team travelled to Port Perry Wednesday night, August 19th and defeated the Port Perry team by a score of 6-1 thus taking the series and zone finals in two straight games.

Springbrook will now meet either Newmarket or Markham in the next series. In all probabilities this series will start in Marmora this Saturday night at 8:00 p.m. For definite information regarding this game tune into your sports caster Jack Divine.

Home From Leadership Camp

John Williams, son of Mr. and Mrs. Donald Williams, has returned home following three weeks at Department Education Ontario Camp Leadership Centre, Bark Lake.

Attended Fire Chief's Convention

Fire Chief Graham Mounck and Mrs. Mounck of town, have returned home following attending the Canadian Fire Chief's Convention in Halifax, Nova Scotia.

"At Home"

Mr. and Mrs. John B. Patterson, of Foxboro, will receive their friends and relatives on the occasion of their 60th wedding anniversary Sunday, September 6th. Reception will be held at the home of their daughter and her husband Mr. and Mrs. Don G. Williams, Oak Hills. 2-4 and 7-9 p.m. No gifts please. 32-1p

Springbrook Squirts Lose Series

The Springbrook Squirts O.A.S.A. team travelled to Cobourg Thursday, Aug. 20th for their second game of Zone semi finals. They came out on the wrong end of a score 9 to 3. Again the Springbrook team was guilty of many errors and thus bowed out of O.A.S.A. competition.

This team did very well this year for their size and we wish them lots of luck next year.

Summer Communion In Presbyterian Churches

The Sessions of Stirling and West Huntingdon Presbyterian Churches have arranged for one celebration of Communion in each of the churches at the usual 9:30 and 11:00 o'clock services.

At the eleven o'clock service Mr. Arthur Duncan, a former member of the church will be the soloist, and will sing by request "The Old Rugged Cross," which will blend with the service of the hour.

The guest minister will take as his theme "Together in the Upper Room."

Holidayers and cottagers not worshipping elsewhere will be helped by joining in worship of Him who said "Do This in Remembrance of Me".

Correction

The following eleven names were omitted last week from the account of the R.V.W.I. Swimming Awards. June DeHaan, Frank DeHaan, Isabel Hoard, Margaret Hoard, Ted DeBruyn, Grant Carr, Kathy Wilhelm, Barbara Wilhelm, Gail Pring, Wendy Pring, and Sarah Pring.

Mount Pleasant

(Mrs. Percy MacMullen)

Miss Bessie MacMullen, Belleville, is holidaying with Mr. and Mrs. Frank Hutchinson.

Last week the Mount Pleasant community presented each of the newlyweds Mr. and Mrs. David Cousens and Mr. and Mrs. Gary Mayell nee Judy Graff with a purse of money.

Mr. and Mrs. Lindsay McKeown have moved to their new home on Henry Street in Stirling.

In July Mrs. Vernon Harry, Mrs. Walter Wrightman, Mrs. Stanley Williams and Mrs. Garth Joslin represented the U.C.W. at Hastings Manor, Belleville and were in charge of the Tuck Shop. The August group from the U.C.W. were Mrs. Stanley Williams, Mrs. Vernon Harry, Mrs. Jack Dunham and Mrs. Harvey Couch.

Mr. and Mrs. Allan Howes and sons, of Glen Ross, have taken up residence on the McKeown farm.

Charles Hoard was in charge of the moving of the lawn at Hubble Hill pioneer U.E.L. Cemetery last week.

Elaine Union August Meeting

The regular August meeting of the Boot and Shoe Workers Union was held on the 17th at Masonic Hall, Local 754 President, Roy Lake, chaired the meeting, with a full executive.

The representative from the International B & S.W.U. Canadian Director Mr. Kenneth Scott, from Toronto, was unable to attend because of personal reasons. There was considerable amount of correspondence but no strike appeals were received for financial support.

A letter from the Canadian Labour Congress was received urging that

WEEKLY REPORT FROM FOXBORO DISTRICT

(BY JACK WOOD)

STRESSES IN HOG FEEDING

Hog feeders need to watch for the effects of too rapid a feed change, according to Jim Ranta, our swine specialist.

When pigs are put into the feeder barn for the first time, they can suffer from stress. Another stress factor that affects pigs at this time is a feed change.

The degree of stress depends on the formulas of the rations before and after moving from the nursery to the feeder barn. The amount of stress suffered by the pigs in the actual move has an affect also.

Feed change becomes a major problem if you switch the hogs from a bland ration to a high energy starter ration. The animal... not used to this... can't handle the extra energy and gets digestive upsets and often scours.

If you are buying weaners at a sales barn or some other source, you can't always find out what the pig's ration was in the nursery. Use a bland, low energy starter ration to keep stress to a minimum. Your pigs may sacrifice some feed efficiency, but they will likely overcome this more quickly than the stresses from high energy feeds fed too soon.

Wellman's

(Mrs. Victor Graham)

Mr. and Mrs. Jim Bailey and family of Belleville, visited recently with Mrs. Charles Dunham.

Mr. and Mrs. Reg Dunham of Twoed, visited Tuesday afternoon with Mrs. Charles Dunham.

Mr. Roy Thrasher, of Mt. Pleasant, spent Wednesday with Mr. and Mrs. Jack Sharp and family.

Mr. Richard Williams, of Sudbury, was an overnight guest on Friday of Mr. and Mrs. Jack Sharp and family.

Miss Freda Graham, of Toronto, spent the weekend with Mrs. Victor Graham and Eleanor.

Mr. and Mrs. Edgar Graham and family, of Qshawa, and Mr. and Mrs. John Graham and Vicky, of Belleville, visited Sunday with Mrs. Victor Graham, Eleanor and Freda.

Mrs. Ridley Speaker at Wellman's W.I.

Fourteen members, 6 visitors and 2 children met at the home of Mrs. Carl Clancy for the regular meeting on the afternoon of August 19th.

After opening with the Institute Ode and The Lord's Prayer, Mrs. J. Pollock, the president, extended a warm welcome to everyone and es-

pecially the visitors. The roll call was answered by giving an old fashioned remedy for injuries.

Mrs. Gerald Clancy, convenor for Health was responsible for the programme and introduced Mrs. Ridley from the Wingfield Home for Retarded, formerly known as the House of Happiness.

Mrs. Ridley has many years of experience teaching retarded children. Wingfield Home is licensed to accommodate 20 people. The patients range from 6 to 40 yrs of age, some have been there for many years. Mrs. Ridley showed pictures of the home, their activities and crafts, and told of many of the problems and the joys of running a home for the retarded.

Mrs. Kenneth Tompkins extended thanks and appreciation to Mrs. Ridley and presented a gift on behalf of the members.

Janice, Valerie and Marsha Clancy, as a trio sang "Try a little kindness". Mrs. Keith Clancy gave two readings "The squeaky milk stool" and "Elephant Stew". Mrs. A. Akins gave the motto on "Do we eat to live or live to eat?" This was very well prepared and brought out the fact that we must eat the proper food to live a healthy life.

Mrs. Pollock extended thanks to Mrs. Clancy for opening her home for the meeting, and also those who helped on the program. After closing with repeating in unison the Mary Stewart Collect and singing The Queen, conducted a contest on The Medicine Cabinet.

The next meeting will be at the home of Mrs. Ernest Thain and will feature a panel on "Pollution" by four members.

One of the nicest things about the future is that it comes a day at a time.

NOTICE TO CREDITORS AND OTHERS

Creditors and others having claims against the estate of Mary Wallace, late of the Township of Rawdon in the County of Hastings, widow, deceased, who died at the City of Belleville in the County of Hastings, on or about the 25th January 1970, are notified to send to the undersigned solicitors for Howard Wallace, the Administrator of her estate before the 12th day of September, 1970, particulars of their claim in writing, after which last date, he will distribute the estate amongst the persons entitled thereto, having regard only to the claims of which he then has notice, and he shall not be liable for any part of the estate so distributed to any person of whose claim he had not notice at the time of such distribution.

Fees and Entrance Requirements:

The prerequisite to enter any Loyalist Extension Course is a Grade 12 Graduation Diploma from Ontario. Equivalent qualifications from other provinces will be given special consideration by the Registrar. Grade 13 is acceptable and credit may be given for certain subjects where applicable. Special conditions which apply to mature students are detailed below. Our Extension Calendar should be consulted for details regarding fees for each course.

Mature Students:

Mature students over the age of 19 and having at least two years experience in business will be considered for any Loyalist Course. The College reserves the right to recommend that upgrading courses be taken where sequential subjects such as Mathematics, English and Science are not up to the standards of admission and where failure can only result if the student is allowed to progress into the Loyalist course without the necessary background.

Restriction to Courses Offered:

The College reserves the right to cancel any course and programme where sufficient students have not been registered. It also reserves the right to cancel a subject if a teacher of satisfactory qualifications is not available. In addition, subjects taken from any programme selected are restricted to timetable limitations and will conform to College administrative policy.

SPECIAL INTEREST COURSES

The Extension Division of Loyalist College will welcome requests for other special interest courses and is prepared to offer any course providing that facilities and a qualified instructor are available and sufficient students register to make the venture practical. Potential students should write to the College for their copy of the Extension Calendar as the list of interest subjects being offered is quite lengthy to print in this publication.

DAY SCHOOL COURSES

Extension students are particularly invited to take Extension Courses during daytime hours if their work schedule permits. Potential students in this category should contact the Registrar of the College with their particular requirements. With the exception of co-operative courses, all courses offered in the Extension Division are also offered in the daytime as part of the regular College Programme.

Registration:

Students may inquire, using the attached coupon or if they wish, may receive counselling and register any day from the 8th to the 10th of September, 1970, between the hours of 7:00 p.m. and 10:00 p.m. Late registrations will be accepted during normal business hours up to the date of class commencement.

WOMEN'S INSTITUTE

The September meeting will be held on Wednesday the 2nd at the cottage of Mrs. Harry Jones, Oak Lake. Pot luck dinner. Everyone welcome to attend.

Enduring Happiness

Happiness can be lasting only if it has an enduring basis. When it rests on having and getting, it is fleeting, temporary, and it is not genuine. Many look for happiness in companionship, marriage, a profession. They search and strive for it only to find it slip from their grasp. Some then turn to overeating alcohol, or immorality - things that are fatal to happiness.

Mary Baker Eddy, the Discoverer and Founder of Christian Science, presents in her writings the true basis of happiness. Her own ex-

perience taught her that "man's extremity is God's opportunity." She says of her own life in "Science and Health with Key to the Scriptures" (p. 162), "Every material dependence had failed her in her search for truth; and she can now understand why, and can see the means by which mortals are divinely driven to a spiritual source for health and happiness."

Christ Jesus was her Way-shower, and he is the Way-shower for all Christians. His joy was evident, though he lacked much of what the world considers necessary for happiness. The greatest of all sermons, Jesus' Sermon on the Mount, contains much about happiness. It is

the essence of the Science of Christianity. It begins with the Beatitudes, which list the states of thought necessary for happiness, such as meekness, humility, and purity, and then gives the rewards for disciplining thought accordingly. Jesus was explicit about the way in which one gains true happiness, as well as the things necessary to a human sense of it. He said (Matthew 6:33), "Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."

If one looks to his job for happiness, he should remember that work itself does not bring happiness but that one gains joy as he understands what his real work is. Then, no

matter what changes take place in his experience, they cannot touch his happiness.

As the image of God, man is in the expressing business. He is eternally expressing divine Love, or Truth. To maintain in consciousness the truth of real being gives one constant employment. And no matter how menial the human tasks one engages in may seem, he will do them joyfully and well.

by WILLIAM J. MARTIN

This column is a regular weekly feature prepared by the family Financial Counselling Service of the Avco Delta Corporation, P.O. Box 2820, London, Ontario. All questions submitted to the above address will be answered, in print or by return mail. Names will not be used in print. However, all questions should be accompanied by a complete name and address.

QUESTION: — Dear Mr. Martin: From time to time in your column you have referred to a "rainy day" fund. Exactly what is a "rainy day" fund; how much should you have in it and under what circumstances do you spend the money you have in this fund? Isn't it the same as a savings account? Mrs. S.A.

ANSWER: — A good way of defining the difference between the words "unexpected" and "emergency." A savings account is good to have when you are faced with unexpected expenses such as medical bills, car repair bills, etc. It is also nice to have around when your family has a want or need for which you haven't

budgeted... a color television set, a family vacation, etc. In addition, it is also used as a repository for money that will be applied to a specific use at some points in the future... a college fund for the kids, for example. It may be set up for a number of reasons or for no specific reason at all... just for the future.

On the other hand, there is only one purpose for a "rainy day" fund and that is to provide a temporary source of income should the one real emergency occur when the breadwinner's income is cut off.

Therefore, you should never spend money from your "rainy day" fund for anything but that one big emer-

gency. As for how much should be in the "rainy day" fund, we would recommend that it contain an amount equal to what the breadwinner would bring home in two months. In other words, your "rainy day" fund should permit you to continue living at your same standards of living for two months. In that length, the breadwinner most often will be able to get himself started again and the flow of income moving again. If not, the problem becomes one that must be treated individually and not in general terms.

THE BIBLE TODAY

The publication in Ghana of the Gospels in the Tshi language last year was the occasion of great joy, but the consequence was even most satisfying. It is summed up in the words of a distributor, who said "When I hesitantly bought the first hundred in July, I never expected that we would need 10,000 before the year was out." The distributor goes on, "We first introduced the Gospels during a Stewardship campaign in a village near Abedif. At a Saturday evening meeting we spoke of the stewardship of the Gospel and then

handed out 400 Gospels in Twi (together with some other Scriptures) and charged the congregation to go from door-to-door and invite everybody to a rally the following evening. The Gospels were designed to give the visitors an introduction, since tradition here demands that a visitor should have a specific 'mission'. It also provides a reminder to the people in the house not to miss the rally and film-show. When they met the next day all the 400 Gospels had gone, every house had been visited and the Gospels had been bought by Christian backsliders, pagans and Muslims.

THE HASTINGS COUNTY BOARD OF EDUCATION

AUDITOR'S REPORT

TO THE SUPPORTERS OF

THE HASTINGS COUNTY BOARD OF EDUCATION

We have examined the Revenue Fund and Capital Fund Balance Sheets of The Hastings County Board of Education as at 31 December 1969 and the Revenue Fund Statement of Revenue and Expenditure for the year then ended. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Board as at 31 December 1969 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario school boards.

ASK THE PASTOR

QUESTION: — How many dope addicts are there in the United States and is there any cure for a dope addict.

ANSWER: — It is estimated there are nearly one-fourth million people who are totally drug dependent (hooked) New York City has an estimated 100,000. This number does not include others who are drug abusers (uses drugs occasionally, or use drugs that are not physically addicting).

Physically he can be cured. Psychologically, No... Drugs is an addiction of the mind more than the body. The only total cure is through Jesus Christ and He will fill any

gap that there is in your life. Read John 14:6.

QUESTION: — What is the Love of God?

ANSWER: — The love of God is that part of His nature—indeed His whole nature, for 'God is Love'—which leads Him to express Himself in terms of endearment toward His creatures. God not merely loves, but is love; it is His very nature, and He imparts this nature to be the sphere in which His children dwell, for 'he that abideth in love abideth in God, and God abideth in him.' (1 John 4:16)

If you have questions or problems of a religious nature, questions may be left at the News-Argus office. Your name will not be divulged to the author if you so desire.

Church Union To be Discussed

Church Union will be discussed by the Rev. Robert B. Craig and the Rev. Canon Ralph R. Latimer at a meeting sponsored by the Joint Study Group of the Anglican Church Women and the United Church Women of Belleville, on Tuesday, Sept. 15 in St. Thomas Parish House, Belleville.

The speakers serve as executive commissioners for Church Union. Dr. Craig, who represents the United Church of Canada attended Albert College in Belleville. He is well known in this area since he was pastor of Trinity United Church in Peterborough, part of the Bay of Quinte Conference. He has represented his church at the 5th Meeting of the Consultation on Church Union in Dallas, Tex. and the 7th Meeting in Dayton, Ohio.

Canon Latimer has been an observer-consultant delegate from the Anglican Church of Canada to the Present Consultation on Church Union. He has traveled extensively to attend church union conferences in Canada and the United States.

held, and it proved very successful.

President Wesley Finch gave a report on all the meetings, he the Secretary and other members had attended in the past weeks — a District meeting in Plainfield Hall, two at Assumption Hall near Keene, a membership meeting in Eldorado Hall, speaker, Mr. Blake Sanford.

Some of the members went to Peterboro and were on the picket line at the Borden's plant.

Jeanne Williams gave a report on a meeting that was held at Zwick's Island. Speakers were 1st Vice President, Mr. Walter Miller and Mr. Blake Sanford, of N.F.U. Mrs. Williams and Mrs. Jim Spry, also gave a report on the day meeting held at the Memorial Centre in Peterboro, Aug. 5th. President Roy Atkinson, of N.F.U., and Women's President, Mrs. Evelyn Potter gave very inspiring talks. Much time was spent on the convention coming up in the fall. Delegates are to be picked at the next monthly meeting for the convention.

Next meeting will be held Sept. 8th at the home of Mr. and Mrs. Harper Bateman.

Morton Reid thanked George and Jeanne for the use of their home.

Lunch was served and a social time spent.

August Meeting Local 334 of N.F.U.

The August meeting of Local 334 of N.F.U. was held at the home of Mr. and Mrs. George Williams.

The meeting opened in usual way. There was much business to be discussed due to no meeting in July, but instead a Strawberry Social was

Canadian Congress on Evangelism

The first Canadian Congress on Evangelism is being held this week August 24 — 28, in Ottawa, at the National Arts Centre.

The impetus to create a Canadian Congress on Evangelism came first from certain persons who had participated in the Berlin Congress in 1966. The Canadian Congress is made up of 800 delegates from Protestant Churches in Canada.

Keynote speakers at the Congress will be The Most Reverend Frederick Donald Coggan, Dr. Kenneth Hamilton, Dr. Carl F. Henry, Dr. Donald N. Larson, The Reverend Thomas Robert Maxwell, Dr. Leighton Ford. Playing a significant role in the congress will be M. Fernand St. Louis, the Director and Evangelist of the largest French radio evangelistic program in Canada.

How much home are you missing through outdated wiring?

When this house was built it was hard to imagine all the wonderful ways in which electricity would be serving us today. That's why the wiring in so many older homes just isn't adequate for today's needs.

There are many signs. Fuses blowing. Lights dimming. Appliances performing sluggishly. Cluttered extension cords. Not enough outlets.

So, if you're planning to modernize your home, think first of the wiring. Have a qualified electrical contractor check it. You'll be surprised at how easily and inexpensively it can be updated. Or just ask your Hydro.

The Name of the Game is Electrical Living.

Returned From Hospital

Mrs. Arthur Keegan returned from Belleville General Hospital to Towers Nursing Home last Thursday.

Playing Mom and Dad

"Stop it, children, stop it!"
Cried a mother in despair
To little Ruth and Patrick,
Who pulled each other's hair.
"Come here to me this minute
I'll teach you not to fight.
You naughty kids, aren't you ashamed
You know that isn't right."

We wasn't really fightin', Mom
We wasn't even mad.
We's jest a havin' lots of fun
A playin' Mom and Dad.
It's honest injun Mommie
Said little Ruth and Pat
We want to be like you and Dad
'Twas just a game of spat.

Mothers, Fathers, don't forget
The seeds you daily sow,
Will not lie dormant in the ground
They're always sure to grow,
That little girl, that little boy
Will follow Mom and Pop
The seeds you sow in their young
Hearts
Will yield a bumper crop.

Don't think they do not notice
They're very much alert:
While serving sin, remember
Your child is also hurt.

STIRLING HORTICULTURAL SOCIETY

Cut garden Phlox to the ground
when it has finished blooming and
feed with Vigoro. It is best grown
from late summer divisions.

Not you alone, will pay the cost
How awful and how sad.
The children early always go
The way of Mom and Dad.
The tracks you make their little feet
Are treading day by day.
Examine them, where do they go?
Don't lead your child astray.
They watch your every word and
deed
They pattern after you,
Be careful mothers, fathers,
In all you say and do.
That little life so precious
God planted in your home
Greatest of all possessions
Beneath the starry dome.
The way you talk, remember
Though it be good or bad
They look to you for guidance
They follow Mom and Dad.

CARD OF THANKS

I wish to express my sincere
thanks to all who sent cards, and
gifts and for personal calls following
my recent accident. Your thought-
fulness was very much appreciated.
32-1p Kelly Dobson.

CARD OF THANKS

I would like to express my thanks
to the many kind friends and class-
mates for their visits, cards, gifts
and flowers while I was in hospital.
Special thanks go to Nellie Donnan
Mary Sills and the Bensons for their
many acts of kindness.
32-1p Jack Sills

CARD OF THANKS

During the past weeks we have
found out how kind and thoughtful
people can be when accidents hap-
pen. We are truly grateful for all
prayers offered by ministers and
friends; for baking brought to us;
for transportation to Kingston; for
letters, visits and phone calls made
to us. Your concern has helped
make this easier for us to endure.
32-1p Lindsay and Lois Sills

CARD OF THANKS

I wish to express my thanks to
all my friends, neighbours and rela-
tives for cards, calls and flowers,
from St. Paul's choir during my re-
cent accident. A special thanks to
Mrs. Briggs, Mathieson and Morgan
for their kind attention and to nur-
ses on 5th level of Belleville General
Hospital. Your kindness will always
be remembered.
32-1p Harry Brown

CARD OF THANKS

I would like to thank all my friends
and neighbours for the lovely show-
er held in my honour and also for
the many gifts. A special thanks to
all those who planned and helped in
any way to make this a memorable
evening. Thanks again.
(Margaret Mulheron) now
32-1p Mrs. Paul Pelow

CARD OF THANKS

We would like to thank our friends
and neighbours for calls, cards and
expressions of sympathy received
following our recent loss of a dear
mother and grandmother.
32-1p Mrs. Harold Johnson
and family

CARD OF THANKS

We wish to express our sincere
thanks to friends and neighbours for
calls, cards, expressions of sympathy
and their many acts of kindness dur-
ing the illness and death of our
father.
32-1p Joe and Mary Forestell

CARD OF THANKS

J. B. Beishaw wishes to extend his
thanks to neighbours, friends and
relatives for making his 92nd birth-
day a very enjoyable day with their
birthday cakes, flowers, treats,
cards, visits and telephone calls.
